Costs Less in the End

The cost of a motor car is not its price alone. It's the price plus the running cost plus repairs divided by the miles of service.

And on this basis the Gray-Dort costs less in the end—less even than cars lower - priced. Year after year this fine light car does go farther on a set of tires or a gallon of gasoline—does stay out of the repair shop.

You will enjoy owning a Gray-Dort—enjoy the comfort of its roomy, juxurious body; easy to control in traffic; quick to pick up, speedy on open stretches and powerful on hills; and you'll be proud of its real beauty.

The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment, is \$135 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for

your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orehard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness—and tan and is the ideal skin softener, whitener and beautifier.

beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.
