THE WEEKLY OBSERVER AND THE Canadian Agriculturist AND HOME MAGAZINE without a rival in Canada, and unsurpassed in America, for its Stock Raising, Dairyman, or Fruit Growing. We are enabled by special arrangements to offer that splendid publication, The Canadian Agriculturist, clubbed with this Journal for the small sum of \$1.25 a Year. (Subscriptions may be commenced at any time.) The Canadian Agriculturist is a large 36-page Journal, neatly illustrated, and printed in a first-class manner. Its amount and practical value of contents, in extent and value of correspondence, in quality of paper, style of publication, it occupies the FIRST RANK. It is believed to have no superior in either of the three chief divisions of FARM CROPS AND PROCESSES, HORTICULTURE AND FRUIT-GROWING, LIVESTOCK AND DAIRYING, while it also includes all minor departments of rural interest, such as the Poultry Yard, Bee Keeping, Greenhouse and Grapery, Veterinary Remedies, Farm Questions and Answers, Friends Reading and Domestic Economy. Its Market Reports will be unusually complete, and much attention will be paid to the state of the crops, as throwing light upon one of the most important of all questions - When to Buy and When to Sell. It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of a term, a Live Agricultural Newspaper. Although the Canadian Agriculturist is larger than any of its contemporaries, its size being from 20 to 36 pages monthly, according to circumstances, the terms are \$1 a Year, strictly in advance.
