BOLSHEVIKI ASSUME CONTROL

Possibly the most tumultuous gathering
of its kind—a so-called school meeting
was held at Nordin N.B. on Monday Even-
ing 14th Inst. The meeting was fairly
evenly divided into two parties, the one
seeking the election of Frank Taylor, and
the other the re-election of Thos. Daugh-
ney. The latter however had taken the
precaution to bring with him, to the meet-
ing, a gang of hoodlums whose instructions
were to prevent any of the party repre-
senting Taylor from being heard.Their first move in this direction was
the nomination of Angus Kenny as chair-
man knowing that Kenny, a violent per-
sonification of Daughney, was entirely un-
fitted either by education, or experience, to
act as chairman of any gathering. Kenny
started the ball rolling by attempting to
begin in the middle of the order of busi-
ness, but was sharply called to order by
Joseph H. O'Beirne. Kenny attempted to
press his point, but was easily prevented
from doing so. Seeing that they were a
minority in the school, the Daughney
party resorted to other tactics, one of their
fellows, acting as a teacher, instructed
the school (with built up and secured the
names of all the supporters of Daughney
even women and children. Some of
Daughney's supporters have been heard
methodically to "sell" their names, and
both within and without the school. At-
tempts are expected within the next few days
by these cross violators of the law. The
Daughney supporters within and without
the Hall kept up a constant yelling and
whooping in order to prevent the party
representing Taylor from being heard. The
decisions of the Chairman were ludicrous
in the extreme. Boiled down, they simply
meant that his party could talk as long,
and as often, as they wished, but by every
expedient he endeavored to prevent the
opposition from being heard. These at-
tempts were prevented more often than
not by J. H. O'Beirne.Some of the most active parties in the
Daughney crowd were women from out-
side the District whooped and yelled like
maniacs in support of their candidate.
Seeing that there was no intent to ren-
der fair play to their candidate, the party
representing Taylor withdrew from the
Hall. They have petitioned the Education
Dept. to set aside the election (so-called)
of Daughney and are confident of a deci-
sion in their favor.Patrick Keane the Sec'y. of the meet-
ing was too excited to take notes and so
simply contented himself with shouting
and waving his hands in the air.A new meeting will undoubtedly be or-
dered as an appeal has been made against
the ridiculous affair, to the Board of Ed-
ucation and the Inspector.Thanking you for your valuable space I
am respectfully yours,
J. H. O'BEIRNEBlackville Women's

FOR SALE

Auto and Motor Boat. For parti-
culars apply at this office.COPENHAGEN
CHEWING TOBACCOCopenhagen is used differently
from ordinary chewing tobacco.Take a small pinch, for a start,
and put it between the lower lip
and gum, in the centre.Afterwards you can increase the
size of the pinch to suit the
strength of the chew you desire.Copenhagen is strong, because
the tobacco of which it is made is
cut into fine grains, which makes it
impart its strength thoroughly and
quickly.Kenny, a little "blind" goes a
little way, showing that Copenhagen
is not only an extremely economical
chew, but also one of the finest
tasting, being made of the best
tobacco, and flavored tobacco.
