**A. D. Farrah and Company**

## WILL HOLD SERIES OF GARDEN PARTIES

The regular monthly meeting of the Newcastle Hospital Aid, was held in the Hospital on Thursday afternoon May 27th. The meeting was largely attended and following the business meeting, afternoon tea was served by Mesdames John Williamson, C. C. Hayward, Chas. Sargeant and E. F. Malby and was enjoyed by all present.

The members are arranging for a series of garden parties which they propose holding during the summer months. The first garden party will be held on the grounds of Mrs. W. A. Park on Tuesday June 22nd, and no efforts are being spared to make the affair a grand success. These grounds are most suitable for an occasion of this kind and the committee in charge will provide a delightful outing for this date.

The Aid has also chosen the 16th of October as the date for a large Rummage Sale and EVERYONE who wishes to help the Hospital is kindly asked to keep this date in mind, and prepare for it, by saving all articles which they can contribute. The funds derived from occasions such as these, are for a most worthy object, and the general public are respectfully requested to assist liberally in every way possible to make them successful.

## Summer School For Teachers

Will Open at Woodstock July 6th and Continue Until Aug. 5th

The New Brunswick vocational board has issued the prospectus of the second annual summer school for intending vocational directors and teachers and in its announcement is made that the school will be held in the Fisher Vocational school at Woodstock from July 6 to August 5.

The home economics courses inaugurated last year will be continued and extended this year and in addition courses in the history and organization of vocational education; methods of teaching and outlining courses; motor mechanics; electricity and its industrial uses; trade dressmaking and trade millinery will be arranged for and it is possible that commercial work and costume design classes may also be included in the curriculum.

The aims of the school are twofold; to spread the knowledge of the scope and possibilities of vocational training in the province, looking towards an intelligent and enthusiastic local leadership throughout the province and also to give short, intensive, technical and professional courses to student teachers.

The executive of the school will consist of Fletcher Peacock, director; Miss H. Helena Good, secretary; Miss Bernice I. Mallory, supervisor of home economics and Miss Sadie M. Barnet, supervisor of cafeteria. Other instructors already appointed are Miss Mary H. Brown, Miss Carolyn Currie, Miss Genevieve A. Hageman, Miss Margaret A. Stewart and A. H. Whitman.

The prospectus announces that the tuition will be free, but students must be recommended by a responsible person, the vocational board reserving the right to reject any application. Free board will be provided at the school and return fare from their homes to Woodstock will be refunded to students who complete the course of twenty-four days of six hours each. These grants are made on the understanding that the students pledge themselves to teach vocational work in New Brunswick during the school year 1920 to 1921 unless prevented by sickness.

Should less than ten pupils enroll for any one class it is possible that that class may not be organized and other classes than those announced may be organized if sufficient students express a desire for them.

As is pointed out in the prospectus the vocational board believes vocational education is needed in the province and considers the right type of leadership to be first essential in its advancement. The board is therefore endeavoring through the summer school to develop carefully such leadership.

WHERE IS THE WATERING CART?  
The Watering Cart made a good start this season, but it was conspicuous by its absence last week. We will watch how it gets along this week.

## NEWCASTLE BOY MARRIES IN N. S.

On Monday at 8 p. m. the home of Mr. and Mrs. A. M. King was the scene of a very interesting and attractive wedding when their daughter, Nursing Sister Hazel M. King, was united in marriage with Capt. John Everett Bell, of Duffield, Alberta, in the presence of the immediate relatives. The ceremony was performed by Rev. C. A. Munro, Pastor of the United Church. The partners were very tastefully decorated, the bridal party standing under an arch of wild pear blossoms. The array of gifts to the bride were varied and valuable.

Both the bride and groom rendered distinguished services in the war. Nursing Sister King is a graduate from the Homeopathic Hospital, Boston. Before the war she had a year's experience in Labrador associated with Dr. Greenfell and his mission. When Harvard University organized its Medical Unit for overseas service, early in the war, she was accepted as nursing sister and served with that unit under the British R. A. M. C. Later she transferred to the Canadian Army Medical Corps. The Canadian Red Cross Society presented her with a Certificate of Honor for faithful service rendered in England and France, where she spent nearly four years.

Captain Bell, popularly known as "Capt. Jack Bell," is a native of Newcastle, N. B. Before entering the army he was connected with the Royal Bank of Canada in which service he spent some time in Bridgetown. He was Captain in the 12th Battalion of Canadian Engineers and spent four years in England and France. Six weeks before the signing of the Armistice he was severely wounded, having both legs broken. He was twice mentioned in despatches for distinguished service.

After the marriage festivities the bride and groom motored to King's cabin, Lake La Rose, where they will spend a short honeymoon. Their place of residence will be Duffield, Alberta where Captain Bell is manager and part owner of a cattle ranch.

The many friends and admirers of the happy couple extend to them all the best wishes for a long and prosperous journey together.

## NEWCASTLE BAND NEEDS YOUR HELP

A subscription in aid of the Newcastle Concert Band being circulated by some of our enterprising citizens, and is being met with marked success. In the vicinity of four or five hundred dollars was collected on Saturday and a large number of our people are yet to be called upon. The Band Boys are desirous of obtaining a new set of instruments which will cost within the vicinity of \$2000.00. We understand the instruments are to be the property of the town and in this way the instruments will always be available for new members who take the place of those retiring. By providing the boys with good instruments the general public will not only be assisting the band members but also themselves as by this means a much better class of music will be provided for their pleasure. Everyone should assist this worthy object.

## Forest Fires Near Tracadie

Chatham, N. B., May 29—A very serious fire is raging near Tracadie and is sweeping all before it. At an early hour this morning the fire was within three miles of the village of Tracadie.

## INSPECTORS VERY BUSY DURING WEEK

The Prohibition Inspectors have been doing a lot of cleaning up work the past week or so and have been successful in their work to a large degree.

A number of raids were made last week, and a large quantity of liquor extract was seized at one place and a small quantity of liquor at another in Newcastle. These cases will appear before the Police Magistrate this week.

An arrest was made on Tuesday of last week of a Barnaby River man in Wong's Cafe for being drunk and using profane language in the presence of ladies. The prisoner was searched and a 4 ounce bottle of lemon extract found on his person. This case was fined with costs amounting to \$12.00. Two others were arrested on Tuesday night for drunkenness and were each fined with costs amounting to \$8.00.

An arrest was made Sunday night by Inspector Saunders assisted by Policeman Win Ashford of a man who was intoxicated, and after the arrest was made, he was taken to the Police Station, when one of the Aldermen appeared and requested the Prohibition Inspector to allow the arrested man his freedom so he could be taken home. The Inspector refused to give the man his freedom stating that he had made the arrest, and if the prisoner were let go, the Alderman would have to take the responsibility.

In Chatham on Sunday night the Depot Hotel was raided and eight men were found closeted in a room, one man having an empty bottle in his pocket. A search of the room was made, but nothing found in it while later on a small quantity of liquor was found in the Bath Room. One arrest for drunkenness in Chatham was made on Sunday night.

Monday morning the Inspectors went to Rogersville on the early train and motored from there to Pleasant Ridge, where they destroyed a large quantity of Home Made Beer, which was being sold, arrested the owner, brought him to Rogersville where he was convicted and fined. The Inspectors then went to Acadaville Block 14, where they also destroyed another large quantity of beer, arrested the violator convicted and fined him.

## CHATHAM DIOCESE HOLDS CONFERENCE

Bathurst, May 28—An ecclesiastical conference for the priests of the Chatham diocese was held at the presbytery here during the course of this week. Among those in attendance were His Lordship Bishop L. J. O'Leary, Rev. N. Power, Nelson; Rev. P. W. Dixon, Newcastle; Rev. W. Varrily, Chatham; Mons Doucet, Grand Anse; Rev. J. Poirier, St. Therese; Rev. E. Wallace, West Bathurst; Rev. J. Wheton and Rev. Father L'Eveque of Bathurst; Rev. J. Carter, Petit Rocher.

Rev. Father Cox, S. J., of Montreal has been conducting a short retreat for the members of the Sodality of the Children of Mary. At its conclusion a three days' mission for the members of the congregation follow.

## Temperance Address At Loggieville

Rev. F. E. Boothroyd gave an interesting address in the interest of prohibition at the evening service in Knox Church on the 23rd inst. His argument that prohibition does prohibit was logical and unanswerable. His appeal that the boys of New Brunswick be allowed to grow up free from the temptations of liquor traffic was most earnest and convincing. A branch of the Temperance Alliance was organized. The following were appointed officers—President S. J. Simons; Secretary, J. W. S. Babkirk; Treasurer John Whyte.
