BEWARE OF AMERICAN COUNTERFEITS

I most respectfully take leave to call the attention of the Public generally to the fact, that certain Houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bears on their labels some address in New York.

I do not allow my medicines to be sold in any part of the United States, I have no Agents there. My Medicines are only made by me, at 533 Oxford Street London.

In the books of directions affixed to the spurious make is a caution, warning the Public against being deceived by counterfeiters. Do not be misled by this audacious trick, as they are the counterfeiters they pretend to denounce.

These counterfeiters are purchased by unprincipled Vendors at one half the price of my Pills and Ointment, and are sold to you as my genuine medicines.

I most earnestly appeal to that sense of justice which I feel sure I may venture upon asking from all honorable persons, to assist me, and the Public, as far as may lie in their power, in denouncing this shameful Fraud.

Each Pot and Box of the Genuine Medicines, bears the British Government Stamp, with the words "HOLLOWAY'S PILLS AND OINTMENT, LONDON" engraved thereon. On the label is the address, 533, OXFORD STREET, LONDON, where alone they are manufactured. Holloway's Pills and Ointment bearing any other address are counterfeiters.

The Trade Marks of these Medicines are registered in Ottawa. Hence, any one throughout the British Possessions, who may keep the American Counterfeits for sale, will be prosecuted.

Signed THOS HOLLOWAY, 533, Oxford Street, London.
