. Canadian National Railways -OPERATING ONE HOUR EARLIER

Important Daylight Saving Change of Time at 2 a.m. Sunday, March 30, 1919

All clocks and watches used in operation of Canadian National Railway will at 2 a. m. Sunday, March 30th, be advanced one hour. To prevent serious confusion and ia convenience to the public the attention of all concerned is directed to the following conditions resulting from the important change of time :

If cities, towns, villages and other municipal bodies do not change their local time to correspond with the new Railway time, all concerned should keep in mind that while trains continue to leave Railway Stations on present schedule, such schedule will be operated one hour ahead of present local time. Therefore any municipality where Unauthorized publication of this local time is not changed to correspond with the new Rali way time, passengers must reach Railway Station ONE HOUR EARLIER than shown in current folders and public time posters.
