### world, you must learn to share responsibility and knowledge as well as Pennsylvania's Shame, No words can be too strong to con-

This is the cry not only of business

No one but a woman can tell the story of the suffering, the despoir, and the despondency endured by women who sarry a daily burden of ill-health and pain because of disorders and derandements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured pompletely upset the nerves if long continued.

Dr. Pierce's Fewerite Prescription is a positive ourse for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG,
