"Healthy."

The prejudice in favor of coffee is gradually being displaced by the Popular Food Drink, Postum Cereal, for sale by Somerville & Co., one of the first-class grocers.

There is nothing worth thinking but it has been thought before; we must only try to think it again.—Goethe.

Mrs. Celeste Coon, Syracuse, N. Y., writes: "For years I could not eat many kinds of food without suffering a burning, excruciating pain in my stomach. I took Farnelle's Pills according to directions under the head of dyspepsia or indigestion. One box entirely cured me. I can now eat anything I choose without distressing me in the least." These pills do not cause pain or griping, and should be used when a cathartic is required.

Town and Country.

The loop line employees of the Grand Trunk have decided to hold their annual excursion to Windsor and Detroit on July 25.

One hundred and seventy-five carloads of steel rails have been received at Windsor by the Grand Trunk Railway from a Chicago firm. They will be used in building spur lines.

Messrs. McKenzle & McComb will begin this week to drill for a rock water well for A. C. Attwood, of Vanneck. They guarantee a bountiful supply, even if they have to go down 500 feet for it.

Robert Stevenson, of Leamington, has applied for a writ of habeas corpus for the possession of his infant daughter. The mother of the child is dead, and it has for some time been in the possession of the mother's relatives.

The Bank of Commerce has refused to handle the finances of Windsor annual election, claiming that the tax rate of 23 mills, which was finally adopted by the council at its meeting Thursday night, is not sufficient to cover the expenditure for the year. H. B. Walker, manager of the bank, stated that the bank could not carry the finances of the city on the rate passed.

The friends of Albert E. Attwood, son of A. C. Attwood, of Vanneck, who is teaching in the Central school, Ottawa, will be glad to learn that he has passed his final examination, and has been awarded the degree of Master of Arts. His success is the result of close application and hard study, having lost from teaching only two years in Quebec's University. He also took the first prize in botany, and was awarded a best collection of preserved and mounted wildflowers.

LAKE SHORE, BOSANQUET.

Lake Shore, Bosanquet, May 30.—Mrs. Lloyd, one of the pioneers of this neighborhood, died at the home of her son-in-law and daughter, Mr. and Mrs. Archibald Thompson, on corner 10, Bosanquet. She had been in rather delicate health the past winter, but had apparently will past recovered, and had enjoyed at least a measure of good health all spring. Last Sunday she went to spend a week with her daughter, and on Monday of the week she took down a cold, and died on Thursday afternoon about 2 o'clock. She had always been known here as a kind-hearted, cheerful, and Christian, first as a Methodist, but for a good many years as a Congregationalist. She leaves to mourn her loss her husband, Mr. Thompson, sons—Edward, David, James, Ellis and John, and two daughters, Mrs. Mary Kenzie, of Forest, and Mrs. Agnes Thompson, of Bosanquet. Funeral from her late residence here today at 2 p.m. to Beechwood Cemetery, Forest.

Miss Jennie MacIntyre and Miss Sarah Hendy, of Wyoming, are visiting friends on the Lake Shore this week.

Miss Mary Johnson has returned from Iowa, where she spent the winter with her uncle, Archibald Johnson, and her cousins. She brought home a sample of butter made according to the method of the methods of her cousin, Harvey Johnson, who has a large number of Jersey cows and does the hard work of steam power and sells his butter for 25 cents a pound the year round and clears \$75 on each cow, besides keeping his own table and his hired man supplied with cream, milk and butter, and the skimmed milk, which he feeds to young stock.

Johnny Younkers, bright little boy in school section No. 7, is seriously ill, and is out of school for several weeks, but we all hope for his speedy recovery.

LUCAN.

"Advertiser" Agent, W. Hodgins. Lucan, May 31.—On Friday evening last a magnificent banquet was held at the Central Hotel under the auspices of Beaver Camp, No. 6, Woodmen of the World, in honor of the recent graduation in medicine of W. Hodgins, M.B., A.S. Hodgins, M.B., and E. A. McCosh, M.D. Over 500 invited guests sat down to a rich and past provided for the occasion by the host and hostess of the Central Hotel. After supper was partaken of, Mr. John Fox, chairman, was called to the chair, and in a neat speech expressed his pleasure at seeing so many present on this happy occasion. He then spoke of the hard work and study which had just finished a number of years of hard manual work, and had now at the final examinations carried off such honors. He was handed at this juncture a full toast list, accompanied with the names of prominent gentlemen present.

The first toast on the list was that of "The Queen," which was of course drunk in silence, after which, although at the beginning of the programme, the whole assembly arose to their feet and sang lustily the National Anthem.

"The Motherland and the Land We Live In" was coupled with the names of Messrs. O. E. Daltrey and C. C. Hodgins. Both these gentlemen made excellent speeches, dwelling chiefly on the glorious heritage possessed by the Canadian people and the security we enjoy, due to the fact that we are a colony of the great and glorious empire upon which the sun never sets.

The toast of "The Sons of the Motherland" brought Messrs. C. W. Milloy and J. Nelson, High School teachers, and G. Stanley, hardware merchant, to their feet. These gentlemen made excellent addresses, and showed clearly that Lucan High School had truly prepared its quota for the battle of life since its establishment.

"Our Mercantile Interests" was ably responded to by Messrs. T. H. Hodgins, D. McCosh and J. Anderson. Mr. Hodgins, after treating the mercantile interests admirably, dwelt upon the importance of education, and proved his own thirst for knowledge in his youth by a happy reference to an occasion when he worked a difficult problem in mathematics in his sleep.

"The Agricultural Interests" was responded to by Messrs. W. Hodgins, B. Stanley, Jun., and J. Stanley. The toast "Our Guests" was ably

handled by Mr. T. McDougall, medical student, who is now going over the course traversed by the guests of the evening, and could testify to the difficulties and hardships of that course, and to the abilities of the young gentlemen, our honored guests. This toast was responded to by Drs. F. W. and A. S. Hodgins.

"The Old Line Insurance Company," was responded to by Mr. R. Hodgins, of the Ontario Mutual, and Mr. O. E. Daltrey, of the Sun Life.

"Our Town and Vicinity" was connected with the names of Reeve Armitage and Messrs. Reid and Orme, all of whom spoke very hopefully of Lucan's future.

"Canadian Choppers" and "Sister Societies" were the subjects of neat speeches by Messrs. Hodgins, Gibson and Fox, and "The Ladies" were championed by a number of young men present.

Mr. W. Matheson, during the programme, sang several songs in his humorous style, and assuredly brought down the house.

Dr. McCosh, who was absent in Detroit, found it impossible to be present, but sent a letter of regret, which was read, and by wishing the young medics a prosperous future.

MOUNT BRIDGES.

Mr. and Mrs. Jas. Stone and Miss E. Reason, of London, and Mrs. W. E. Simons, of Dublin, were visiting at Mr. Jas. Elsey's yesterday.

Mrs. (Rev.) J. H. Bartlett, of London, and Mr. D. W. Karn, the Conservative nominee for the north riding, the Opera House was fairly well filled.

Brantford, June 1.—In South Brant, Messrs. William Paterson, L. F. Heyd and J. Bruce Walker addressed a series of meetings on the Indian reserve during the past week. Mr. Paterson's reception of the writ of habeas corpus, Mr. Heyd's speech, and Mr. Walker's enthusiastic character, Mr. Paterson will address a mass meeting of the electors of Brantford to-morrow night. His opponent, Mr. Henry, has accepted an invitation to be present.

BIRK.

The Birk Young Liberals are busily engaged in preparing for their sports, stirrups, bits, etc., and are also getting their saddle horses in line for the demonstration to be held in honor of Hon. Mr. Henry, at Birk and Mowat, who visit London on Wednesday, June 3.

Mr. Richard Barry leaves today to take a position in Mr. D. S. Perrin's, London. Dick's many friends wish him success.

Ferguson, "Rockside," paid London a visit on Saturday.

Mass Meetings in Various Parts of the Country.

THE HAMILTON CAMPAIGN.

Hamilton, June 1.—Political excitement is just beginning to be roused here. The Conservatives are doing nothing to work it up, having decided to depend on a canvass rather than on a public meeting. With Boville, an out-and-out anti-remedy, and Barker, a staunch cooperator, the leaders recognize that the two cannot very well be put on the public platform together. The Liberals will have a mass meeting in the next few days. They are putting up a big fight.

APPEAL MONTAGUE'S SCALP.

Dundas, June 1.—The political contest in Haldimand, Ontario, is eddy interesting for Dr. Montague. The change of front which the doctor made when he left the school question has not been relished by his friends, and the more than cool reception accorded to him and Mr. Foster, who visited Dundas a few days ago, will at once begin an active campaign.

At a meeting of Patrons of industry held at Kilbride on Saturday it was decided to advise Mr. J. Morrow, the Patron candidate, to retire. This will leave a straight party fight in Lisgar, between Messrs. Richardson (Liberal) and Rogers (Conservative). Kingston Liberals will hold their opening rally next Saturday night in the opera house. Sir Oliver Mowat, Mr. Paterson, Hon. Mr. Hardy and the candidate, Mr. Britton, will address the electors.

A FORMER LONDONER.

Montreal, June 1.—At a meeting in St. Lawrence division, Montreal, Mr. F. Wolferstan, Thomas said he had been usually refrained from any part in political discussions; but it was a time when the duty of every elector was to speak out. He was a good, clean Administration. The scandals that had been recently exposed were such as to demand the intervention of every good citizen who desired his country to prosper. Mr. Thomas discussed the trade policy and held that Mr. Laurier's assurance satisfied him upon that score. He closed his remarks by urging the people of St. Lawrence division to stand by and elect Mr. Laurier.

TO AVOID A "PERMANENT QUARREL."

Messrs. Ellis and Tucker (Liberals), in a joint address to the electors of St. John, N. B., declared: "We believe that there is any man in Canada who can settle this school question with satisfaction to all parties it is Mr. Laurier. His proposition to send Sir Oliver Mowat to the school question is a skillful management of educational affairs in Ontario is ample guarantee of his capacity to deal with this important question. He is a man of this occasion charged to make a thorough investigation into the whole subject, is full of promise that the question, threatening as it is at this moment, can be disposed of without depriving any Province of its just rights and without a permanent quarrel with a Province, the end of which no man can foresee."

MR. LAURIER AT EDMUNSTON.

Edmonton, N.B., June 1.—Mr. Laurier's entry into Edmonton Saturday was a triumphal one. The place put on holiday attire in honor of the Liberal chieftain, who came for the purpose of speaking in the interests of the Liberal candidate for Victoria. Hundreds were at the station to meet Mr. Laurier, and when he stepped from the train he was received with cheers. The hotel where he put up was gallantly decorated with bunting. Mr. Dechene, M.P.P. for L'Islet, accompanied Mr. Laurier. A large delegation of prominent Liberals was present to meet Messrs. Laurier and Dechene. After dinner the Liberal delegates from Victoria and the Sandwich Islands, and unanimously nominated Mr. Fred Lefer to oppose Hon. John Costigan. An out-door meeting was held and Mr. Laurier spoke from the balcony of the hotel. Fully 1,500 persons were present and lustily cheered the speaker. Two addresses were presented to Mr. Laurier, one from the Victoria and one from the Sandwich Islands. Mr. Porter, M.P.P. for Victoria, presided. Mr. Laurier spoke in French and English. Mr. Laforest, on coming to the front, met with a good reception. He made a splendid impression as he dealt with the misdeeds of the Government and the Liberal cause. His speech was well received and made a capital speech. Mr. Laforest will make

matters warm for Mr. Costigan, and doubtless will oust him. The meeting was a success from all points. Mr. Laurier left by special train for Quebec.

SARINIA'S SENSATION.

Sarnia, June 1.—A sensation has been caused by the resignation of Mr. R. E. Le Sueur, president of the West Lambton Conservative Association. Mr. Le Sueur, it is well known, no longer sees eye to eye with the leaders of his party, and is opposed to the nomination of Mr. Costigan, the nominee of the Conservatives for West Lambton.

TO BEAT A WEAKLING.

Ottawa, June 1.—D. McElroy, of Richmond, has accepted the nomination of the McCarthys in North Lanark against Rosamond, Conservative, and Millar, who has been endorsed by both Liberals and Patrons. This means that Rosamond will be defeated. Rosamond voted against the co-operation of Mowat and the like. Sam Hughes, afterwards turned in to assist its adoption. Millar is the man for North Lanark.

MEETINGS IN WOODSTOCK.

Woodstock, June 1.—The local Conservatives held two mass meetings here on Saturday. The afternoon meeting was exceedingly tame. Dr. Montague, Mr. J. P. Whitty and Mr. James Grant were to have been present. None of them came with the exception of the latter, who arrived in the evening. The evening meeting was addressed by Mr. O. A. Simons, M.P.P. for South Toronto, Sir James Grant, Mr. P. H. Bartlett, of London, and Mr. D. W. Karn, the Conservative nominee for the north riding. The Opera House was fairly well filled.

Brantford, June 1.—In South Brant, Messrs. William Paterson, L. F. Heyd and J. Bruce Walker addressed a series of meetings on the Indian reserve during the past week. Mr. Paterson's reception of the writ of habeas corpus, Mr. Heyd's speech, and Mr. Walker's enthusiastic character, Mr. Paterson will address a mass meeting of the electors of Brantford to-morrow night. His opponent, Mr. Henry, has accepted an invitation to be present.

IN EAST ELGIN.

St. Thomas, June 1.—The station publisher in Toronto, Mr. William Paterson, Liberal candidate in East Elgin, will retire, is not only untrue, but without the least shadow of foundation. It was made plain by the whole of the day by some political enemy, with the object of injuring the doctor. The prospect of a Reform party in East Elgin were never brighter. Very many strong political opponents of the doctor go so far as to concede his election.

NOTES AND INCIDENTS.

The name of Mr. William Fyver, a well known and popular Irish Catholic citizen, is now mentioned in connection with the Liberal candidature in Quebec West. The selection is to be made this evening.

Said an old campaigner to a Vancouver World reporter the other day: "This reception of Mr. Fyver, who is a well known and popular Irish Catholic citizen, is now mentioned in connection with the Liberal candidature in Quebec West. The selection is to be made this evening."

Laurier and Mowat are a winning combination.

THE HENDERSHOTT MURDER.

A Sequel to It—Partition of the Estate of John Hendershott Applied For.

St. Thomas, Ont., June 1.—Proceedings have been taken to sell the property of John A. Yimier, a farm property in Southdown township, which belonged to Murderer John A. Hendershott, executed at St. Thomas with a life term for a \$2,000 mortgage, which he (Hendershott) had placed upon the properties to meet the expenses of his unavailing defense. Contrary to Mr. Hendershott's wishes, however, the official guardian, Dr. Hoskin, Q.C., on behalf of Hendershott's two daughters, is now appealing to the court to have the property sold to satisfy a claim upon the half-interest in which the father alone held. W. J. Tremear, who appears for Contractor Mulligan, is seeking the enforcement of the order. Argument upon the appeal will be heard Monday in Chambers at Toronto.

KATE FIELD IS DEAD.

Chicago, June 1.—H. H. Kohlman, proprietor of the Chicago Times-Herald, has received a cable message dated Yokohama, and signed by Lorrin A. Thurston, ex-Minister to the United States from the Sandwich Islands, which said: "Kate Field died at Honolulu May 19, of pneumonia." Miss Field was the Sandwich Islands correspondent of the Times-Herald, and the last heard from her was a letter dated May 4, in which she stated that she was on her way to the islands and had been doing a great deal of horseback riding, and that the exercise in the open air had completely restored her health. She was on her way to the islands had been badly shattered. No further particulars are given.

TERRIBLE ACCIDENT AND SUICIDE.

Joliet, Ill., June 1.—Antonio Patta, a young Italian, thought to be from Buffalo, N. Y., ended his existence in a horrible manner on Friday night, at Joliet, by throwing himself from a high bridge over the Rock Island road. He attempted to board a freight train,

and, falling beneath the wheels, both legs were cut off. In a crazed frenzy Patta drew a razor from his pocket and drew it across his throat. Horrified spectators took the razor away from him, but he drew a second one from his pocket and managed to make a deep cut before he could be prevented. In a few minutes he fell over dead.
