Toronto, Ont., Aug. 11.—The Dufferin lacrosse club of Orangeville practically won the senior championship of the Canadian Lacrosse Association this af-ternoon by whitewashing the Tecumsehs at the Island Oval before about 600 enthusiastic Tecumseh supporters. The game was one-sided and uninteresting to watch. The braves certainly did not play their usual game. Then, again, they lowed by the all-aged stakes, open to were greatly weakened by the absence of Grimes from the defense and Willkinson from the home. The match was not rough, although several players were given a three-minute rest at the fence. This was the penalty for minor offenses. The final score was 5 to 1 in the visitors' favor.

C. L. A. DECISIONS.

Toronto, Aug. 11.-President H. B. Clemes and First Vice-President Lionel King met here today to look into certain troubles in C. L. A. circles. The first business considered was the protests lodged by Mount Forest and Shelbourne against the Markdale team for playing importations. The Markdales will not appear in league circles again this season, and on Aug. 20 Mount For-est will play off its tie with Shelbourne at the Island. Elora, for defaulting to Glen Williams, will have to pay expenses of printing and advertising. The Stars of St. Catharines will have to be shut out in the same way for default in Toronto Junction. The tie in the central district between the Intermediates of Georgetown and Fergus has been settled so that each team will only have to play one additional game. The tie in junior district No. 6, between Bracebridge and Gravenhurst, will be played off at Orillia on Aug. 17. For playing at Magog on Aug. 1, Ed Doyle and J. A. Carmichael, Toronto Junction, will have their certificates suspended.

Philadelphia, Pa., Aug. 11.-John H. Nelson, of Chicago, today defeated A. McEachern, of Canada, in a 30-mile motor-paced bicycle race at the Wood-side Park track. Nelson broke every record from 1 to 30 miles, with exception of those for 1, 2 and 25 miles. Much of the interest of the race was lost owing to an accident to McEachern's wheel, which precluded any possibility of his winning. The saddle of his bicycle broke in the last lap of the second mile. In securing a new wheel he lost a lap and a half, and was able to recover only the half-lap. The 30 miles were covered in 48:08%, or 2:12 better than the record held by Elkes. KENNEL
