His next effort was a pop fly just clear of the infield, and when the outfielder blinked Capron went to second. The third time he beat a bunt.

capron has the fans so nutty about him that they stay away from the zoo, for fear of exciting the squirrels. He thinks nothing of going from first to third on an infield out, or of scoring from second on the same play. Sometimes he scores from second on a force out at the niddle station.

And Capron is a recruit. He is play. Tug-of-War a Feature.

One of the events of the day was the tug-of-war for The Advertiser Cup. The crowd displayed more genuine entered than any thusiasm over this event than any other, and they got their money's worth of excitement. There were three pre-liminary pulls and a final pull. In the first pull Perrins and the C. P. R. team, the winners and runners-up of last year, met, and after an exciting ten minutes the former won out. In the second pull, Geo. White & Sons' team defeated the London Rolling Mills, and in the third will Workman & Word won defeated the London Rolling Mills, and in the third pull Wortman & Ward won from Geo. White & Sons. The final pull was a farce compared to the preliminary pulls. The Perrin team is composed of some small men, but they demonstrated their pulling ability, and will hold The Advertiser Cup for another season. Much credit is due Anchor-Man Evans for the victory. An Exciting Event.

The 100-yards dash also proved an interesting and exciting event. Hunter won by a neck in the first heat, while

Adams nosed out Davidson in the sec-ond heat. In the final heat young Hunter ran a terrific race, and won by a fraction of an inch from Adams. Jack Mowatt came third.
A great deal of interest was displayed in the three-mile bicycle race. There were only three entries in this

event, and although the first two men outdistanced the third, it was a thrilling race just the same. W. D. Robertwon it, while J. E. Middleton son won it, finished second. In the 220-yards dash Adams turned

the tables on Hunter and won out in a close finish. Roy Campbell finished third. The pole-vault proved one of the

features of the afternoon. There were three entries—C. V. Armstrong, Jack .443 Sweeney and Roy Campbell, Armstrong and Sweeney, however, were away above Campbell's class, and the latter had to quit early in the contest. Then began the fight between the first two for premier honors. Gradually the bar was raised higher and higher, and still ooth men were vaulting in great style. Finally the height of 8 feet 51/2 inches was reached. This proved a little too steep for Sweeney, and he could not clear it in three trials. Armstrong made two attempts and failed, but went over nicely on the third trial.

Toronto Man Present.

Jack Tresider, of Toronto, ran a nice race when he captured the 100-yard dash open event. At that the big boy had to step some to beat out young Bill Hunter, who pressed closely. Tresider's time was ten and a fifth seconds for the distance.

Lawson & Jones won the one-mile

reiay race in easy fashion, George White & Sons finishing second, while McClary's were third.

The two-mile run also proved of promises to be the most successful in great interest, one of the exciting finishes of the afternoon being pulled off in this event when Roy Campbell beat Gordon Scott for the first place.
