## Watch the Ball Games As They Are Played on The Advertiser Bulletins

The Advertiser's daily baseball bulletin service in front of this office has been a great convenience to local fans for many years. Realizing this and the great amount of interest taken in the game in this city, The Advertiser has excelled itself this year, and provided one of the best and most up-to-date bulletin board services there is to be found in Canada, and the large crowds who gather in front of this office each afternoon and evening while the scores are being posted are evidence to the fact that local fans appreciate the efforts put forth to give them the best, the latest and most accurate bulletin service that can be obtained.

The games are scored on The Advertiser's bulletins just as they are scored in all the big ball parks in the major leagues. The runs by innings are posted up at the end of every inning only a few minutes later than they are posted up in the big league ball parks. Local fans can follow the result of the game as it progresses, from the first inning to the last, by The Advertiser's bulletins, the final score being posted within a few minutes from the time the last ball is pitched, no matter where the game is being played.

The Canadian League season opens tomorrow, and The Advertiser will post the results of these games by innings just the same as the games in the big leagues, and the service will be guaranteed to be just as fast and just as accurate. The Advertiser Sporting Page will also contain all the Canadian League box scores day by day, and what with the bulletin board and the sporting page, local fans will be kept up to the minute with everything that happens in the tight little circuit presided over by Jimmy Fitzgerald.

Watch the game as it is played on The Advertiser's bulletin boards, and you will find it almost as interesting as though you were watching the players in action on the diamond.

### Eight Starters For Renewal of Kentucky Derby

[Canadian Press.] [Canadian Press.]
Louisville, Ky., May 6.—It was regarded as practically certain here today that the renewal of the Kentucky Derby classic, May 10, would see at least eight starters at the barrier, the largest derby field since 1909, when ten 3-year-olds went to the post. The horses regarded as certain start-

ers and their owners are:
Ten Point, A. L. Aste; Foundation, C. W. McKenna; Leochares, J. W. Schorr; Yankee Notions, H. K. Knapp; Lord Marshall, J. O. and G. H. Keene; Donerall, T. P. Hayes; Prince Hermis, Lew Marlon and Jimmy Mill, owned by Dooerhofer &

It was still uncertain today whether C. F. Buschemeyer's Hawthorn, mentioned as a prominent contender, would start, al-though the announcement was made from the Lexington stables, where the horse has been sick for several days, that he had com-pletely recovered.
