Scalskin Catch—The Duties on Pork— Col. Prior and the Pension System.

(From Our Own Correspondent.) OTTAWA, April 4 -Hon R. W. Scott, the OTTAWA, April 4 — Hon R. W. Scott, the Opposition leader made an elaborate speech in the Senate to day on the school question. He said the Martin and Greenway government were political tricksters, and passed the Manitoba act to suit their own ends. He advocated the abolition of the right of ap-

advocated the abolition of the right of appeal to England.

At the annual meeting of the Dominion Rifle Association held here to day, Lieut. Colonel Gibson was re-elected president, Lieut. Colonel Prior was elected v.ca-president for British Columbia Mesers. McInnee, Mara and Haslam are members of the council. The meeting was very successful.

Ten thousand Martini Metford rifles will be here in a few months. The present stock of Martinis will be sent to England to be converted. The Government will allow riflemen the privilege of sending private rifles to England to be converted into Metfords at the Government's expense. Col. Prior again endeavored to take the sense of the House on a motion to establish a pension system connected with the permanent corps.

sion system connected with the permanent corps.

Sir Charles Tupper in the House gave the catch of sealskins since 1885 as supplied by collector Milne. The total value was \$1,125,000.

The budget debate dragged its weary length along to-day. Several speeches were made in French.

The divorce committee elected Hon.

Judge Gowan chairman to-day.

A strong deputation of farmers saw the Government and protested against the duties on pork.

Government and protested against the duties on pork.

It is understood that the Canadian Government has cabled Lord Rosebery, refusing to be made a party to the commercial treaty that Great Britain has recently negotiated with Servia. It is held that in extending the most favored nation clause to Servia, Canada would be raising obstacles in the way of negotiating a reciprocity treaty with the United States, as has been experienced in the case of other countries with which Great Britain has commercial treaties, and from which the Dominion Government has been trying to withdraw, especially as regards that with Germany.

nouncement that the bill had failed to pass
the House adjourned until to-morrow at 12
o'clock.

Mrs. Languish—"Tired! Oh, so tired all the
time!" Mrs. Smart—"Well, so I used to be
until I began to take Ayer's Sarsaparilla as a
spring medicine, and now I don't know what it
is to have that tired feeling. Try it, my dear;
only be sure you get Ayer's."

The Superiority

The Superiority

at Hood's Sarsaparilla is due to the tremen
dons amount of brain work and constant can
used in its preparation. Try one bottle and you
will be convinced of its superiority. It purise
the blood which, the source of health, cure
dyspepals, overcomes sick Headaches and biltenument. It is just the medicine for you.

Seed's Fills are purely vegetable, carefully
prepared from the best ingredients.
