### THIS OBJECT LONG AIMED

Establishes Closer Relations Between Knights of Ireland, Scotland and United States

CHICAGO, Aug. 10.—The resolution unanimously adopted here, establishing concord between the Knights of governing bodies, is said to be the most important by the conclaves in years. It establishes amiable relations between the Knights of Ireland, Scotland, Canada and United States, and has been crystallizing for some time.

consumption is said to be subject for which the Earl of Wales, visited the 21st trip. The Templars of the world, associated with the governing bodies of the other nations, and legislation, practically soon than.

### DOE GANS DEAD

Lightweight Champion of the Year's Struggle With Consumption. MORE, Aug. 10.—Joe Doe, lightweight champion of today succumbed to consumption at the residence of which he had been for a year. His death came at 8 o'clock this morning. He was 35 years of age. He was a pugilist, Miss Lillian Doe, who has been in attendance on Colonel Dan Fendleton, a friend of the former champion. His estate is estimated at \$20,000. He carried little life insurance. His last public appearance was at the Galey theatre in 1902, the night before the attack left for Arizona, in hope of curing his falling health. But he was playing at the Galey as Mrs. Gans came on the stage with a time-victor and a thunder of applause. He spoke briefly, and then left the stage, never to be seen again.

### LONDON POOR

Over One Hundred Thousand Paupers Receive Relief in One Day. LONDON, Aug. 10.—The latest report on pauperism in London shows that Saturday, July 16 there were 118,021 paupers in receipt of relief, of whom 75,000 were in the workhouses and 43,021 residing 747 children boarded out by the unions and 12,173 other children under 16 years of age were on the poor lists. The total is lower by 10,000 than for the corresponding day of July, 1900, and represents 24.0 per cent of the population. On the corresponding dates in the three preceding years the numbers were: 1909, 118,877; 1908, 125,798; 1907, 125,798. The 1909 figures show a 24.2 per cent of the population; 1908, 117,464 paupers (75,177 indoor and 42,287 outdoor), or 14.7 per cent of the population; 1907, 113,668 paupers (72,747 indoor and 40,921 outdoor), or 24.1 per cent of the population. These figures show that the present number of outdoor paupers is lower than that in any of the other years mentioned, while the number of indoor poor is lower than the total recorded last year and is but higher than that for 1908.

### Currents Trouble Wires

WINNIPEG, Aug. 10.—Earth currents, the buccard of the telegraph have been playing havoc with the east and west of Fort William during the last twelve hours. Winnipeg appears the furthest west point affected, as general disturbance is not a phenomenon is demonstrated. As the north and south wires are unafraid and much of the business between Winnipeg and the east is being via Chicago. Earth currents of the telegraphists, for they are quite distinct from the aurora and cannot traced to atmospheric disturbance
