and all scrofulous diseases, Sores, Erysipelas, Eczema, Blotches, Ringworm, Tumors, Carbuncles, Bolls, and Eruptions
of the Skin, are the direct result of an
impure state of the blood.

To cure these diseases the blood must be
purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has
for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees
the system from all foul humors, enriches
and strengthens the blood, removes all traces
of mercurial treatment, and proves itself a
complete master of all scrofulous diseases.

"Some months ago I was troubled with scrofulous sores (ulcass) on my legs. The limbs were badly swollen and infammed, and the sores discharged large quantities of offensive matter. Every remedy I tried falled, until I used AVER'S SARAPARILLA, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me.
