#### COUNCIL ORGANIZATION

The striking of the standing committee of the Town Council at its first meeting shows that special care was given to the selection of members for each committee, taking into consideration their knowledge of the several departments placed in their charge.

For the past year the police department had received such severe criticism from the ratepayers that it was thought best to place three of the new members in charge, and give them a free hand to take whatever action they might deem necessary to meet the wishes of the electors.

On the Finance Committee Coun. Miller is again chairman. Those who have followed the work of the Council since Coun. Miller has been Finance Minister will agree with the Council that he keeps a tight grip on the finances of the town, and the showing for the past two years.

On the Public Works Committee Coun. McDonald is again in charge. He has followed the work of the Council since Coun. McDonald has been Public Works Minister.

of light is much cheaper than in other New Brunswick towns or cities where steam is used to generate current. Under Coun. Mowat's management we are sure that every precaution will be taken in the interest of the ratepayers.

The other departments, which are of minor importance are all in complete hands, and a good showing in all departments should be the result.

The most important question before the new council today is the needed improvement to Water Street.

From the peculiar soil formation of this thoroughfare the usual treatment of successive coats of gravel is of no permanent use. The heavy traffic cuts it up and after every rain the roadbed is a mass of mud, through which it is impossible for teams to haul a full load.

The loss of time each year (which now represents money) to the merchants and manufacturers through not being able to haul full loads, would, in a very short time, pay for the improvements.

Engineer Black has been giving the matter much study and although he has not made a public statement, we believe that he favors macadam.

Macadam, when properly put down, makes a very serviceable road, and under Engineer Black's direction, no doubt a great improvement to Water Street could be wrought.

We trust that the New Public Properties and Streets Committee will lose no time in getting to work on this much needed improvement.

#### MOST REMARKABLE CURES

EVER MADE BY ANY REMEDY.

Are Daily Credited to the Wonderful Powers of "Fruit-a-tives."

Bancroft Man Thinks This Fruit Medicine Will Work Miracles.

It is the old chronic case, the stubborn case, the case that will not yield to the ordinary remedies of the physician, that "Fruit-a-tives" never fails to cure. Many of the cures made by "Fruit-a-tives" are the wonder and admiration of the doctors who cannot understand how "Fruit-a-tives" can do what they cannot.

Bancroft, Ont., October 17th.

"I have been troubled for years with Indigestion—have tried every kind of medicine, and found only temporary relief. Then I used 'Fruit-a-tives' and now I am no longer troubled with Indigestion. I think it is a splendid remedy."

There are troublesome times ahead for foreigners in China. We cannot impose western ways on the East without occasional outbreaks of western violence.

The old-fashioned way of doing a weak stomach or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fall then the organs must surely follow. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see. Improvement will promptly and surely follow. Sold by all dealers.

Edward M. Field, son of Cyrus W. Field, of Atlantic cable fame, is in Bellevue Hospital, New York, penniless, and suffering with neuritis. He was taken to the institution by charge of a Salvation Army attaché. Edward Field was at one time a rich man, having inherited a large amount from his father. At the hospital he gave his address as 18 Chatham square, the headquarters of the Salvation Army. It is understood that that organization has been looking after him since he reversed and sickness have reduced him to an almost helpless state.

The riches of South America seem to appeal peculiarly to the British imagination. Two centuries ago, less a decade, the "South Sea Bubble" an enterprise founded upon the prospective profits of trade with South America, involved hundreds in its failure. Today, the speculation in rubber shares promises a like ending.

A man who believes in the old saying, "See a pin and pick it up and all the day you'll have good luck," saw a pin in front of the post office the other day. Bending down to get it, he tumbled over and rolled into the gutter; his eyeglasses fell and broke on the pavement, his suspenders gave way behind; he burst his buttonhole on the back of his shirt collar, and all but lost his new front teeth—but he got the pin.

#### GAS ON THE STOMACH

Relieved at Once by Father Morrisey's No. 11 Tablets.

Many people find that no matter how carefully they watch their diet and deary themselves this, that or the other favorite dish, still after every meal gas forms in the stomach and everything seems to turn sour.

Besides causing great discomfort, this condition makes it impossible to get the full benefit from the food eaten, and the body is continually starving with a full stomach.

Father Morrisey's No. 11 Tablets promptly relieve this and other stomach disorders. Each Tablet has the power of digesting a pound and three-quarters of food, so that even though the stomach may be in a very bad or weakened condition one tablet taken after each meal will insure proper digestion and prevent sourness, gas in the stomach, pain or discomfort.

The case of Miss Maggie Lecky, of West Franklin, Ont., is a sample of what Father Morrisey's No. 11 Tablets can do. Writing on Jan. 26, 1910, she says:

"Your No. 11 Stomach Tablets suit my case exactly, as I am ever so much better since using them than I had been for the last seven years. I could hardly eat anything that would not turn sour on my stomach, or cause gas. My Doctor said it was Catarrh of the Stomach. I had no pain, but gas after eating. The first tablet I took gave me relief, and I am still continuing their use."

If you happen to eat a little too much for dinner, or something that does not agree with your Stomach, just take a No. 11 Tablet and you will feel all right in a few minutes.

If you have been troubled with Indigestion or Dyspepsia a course of Father Morrisey's No. 11 Tablets will soon put your stomach into a healthy condition again.
