cathartics, and merely carry off the accumulated secretions. Afficiency-Wort on the contrary goes to the very root of the evil, as it acts on the Liver and Kidneys at the same time, and by its mild but efficient cash-artic action moves the bowels freely. The morbid poisons that have been the cause of all this disease and suffering will be thrown off, new life will be in-fused into every organ, and the health giving forces will sgain exert their power. It is well known that the kidneys are nature's sluiceway to wash away the debr's and impurities that are being constantly developed in every human system. If they fail to act freely, health will soon suffer. But the kidneys cannot perform their own proper offices and at the same time eliminate those impurities that should pass off by free action of the bowels. How important it is then to have a remedy that will have the power to keep up the natural ac-tion of both these inportant functions. G AND G PREVENTIVE AND CURE FOR EITHER SEX. "I prayed God to deliver me by desth." Headquarters Veteran Corps 69th Regiment. Armory, Tompkine Market, } New Yonk, May 9, 1882. } GENTLEMEN : I have just commenced on my second bottle "Kidney-Wort." I have but little faith in medicines extensively advertised. However, I have suffered perhaps as no other man has suffered, from liver disease-brought on by mslaria. I suffered for ycars, till it became chronic, simply from neglect. I have taken quinine t ll my head swam, and my nerves were totally unstrung. Last year worse. In reading many of your advertisements i worse, In reiding many of your advertisements i to the conclusion, as a dernier resort, to try the "Kidney Wort," and did so. After the fourth day I got an attack of the old malady. I præved God to relieve mo by death, but kept to the medicine as ordered, and i want to tell you to-day, and all suf-ferers from Liver disease, that the last three weeks I have enjoyed such good health as I have not had in many, many years. \*Those who deaden sensation and stupefy the patient to reliave suffering make a grave mistake. They proceed upon the false idea that it is legitimate to procure relief from pain by destroying physical sensibility. This method, carried to the last extremity, would kill the patient to end suffering. It is not presumed that Lydis E.
