BACK TO HEALTH AFTER YEARS OF EXTREME SUFFERING.

From The Ottawa Journal.

Mr. George Argue is one of the best known farmers in the vicinity of North Gower. He has passed through an experience as painful as it is remarkable, and his story as told a reporter will perhaps be of value to others. "I was born in the County of Carleton," said Mr. Argue, "and have lived all my life within twenty miles of the city of Ottawa. Ten years of that time have been years of pain and misery almost beyond endurance. Eleven years ago I contracted a cold which resulted in pleurisy and inflammation of the lungs. Other complications then followed and I was conplications the followed and I was conplications of the lungs. Other complications of a free more and the followed and I was conplications of a free more and the first was decided to hold an excursion through the Maritime Provinces during the first week in August. Special arrangements have been made with the railroads and steamship lines for reduced rates. Among the leading places to be visited are St. John, N.B., the Annapolis Valley, the Bras D'Or Lakes, Louisburg, Charlottetown and Quebec.

It was decided to hold an excursion through the Maritime Provinces during the first week in August. Special arrangements have been made with the failroads and steamship

contracting of the muscles and nerves of my bed, but determined to find a cure ing a bath. The baths will open for if possible, and sent for one of the most ladies Tuesdays, Thursdays and Fridays able physicians in Ottawa. I was under his care and treatment for three years. He blistered my back every three or four weeks and exerted all his skill, but in vain. I was growing weaker and weaker and began to think the end could not any month in the history of the order. The surplus on the 1st of May was \$1.317.000. der. The surplus on the 1st of May was \$1,317,000.

The 21st anniversary of the order will be celebrated at Foresters' Park on Sunday, the 16th, by a sermon from Rev. Mr. Taylor of California, Past Supreme Chaplain. On Monday, the 17th, there will be a monster demonstration. Speeches, of treatment under physicians failed to do. Thanks to this wonderful medicine. I am able to attend to my duties and am as free from disease as any man in ordinary health is expected to be. I am as free from disease as any man in ordinary health is expected to be. I still use Dr., Williams' Pink Pills, and they are the medicine for me, and so long as I live I shall use no other. If I had got these pills ten years ago I long as I live I shall use no other. If I had got these pills ten years ago I am satisfied I would not have suffered as I did, and would have saved some hundreds of dollars doctor bills. It is only those who have passed through such a terrible siege as I have done who can fully realize the wonderful merit of Dr. Williams, Pink Pills williams, Pink Pills.

Mr. Argue's experience should convince even the most skeptical that Dr. Williams' Pink Pills stand far in advance of other medicines and are one of the greatest discoveries of the age. There is no disease due to poor or watery blood or shattered nerves which will not speedily yield to this treatment, and in innuming the standard of the treatment of the tre ily yield to this treatment, and in innumerable cases patients have been restored to health and strength after physicians had pronounced the dreaded word "incurable." Sold by all dealers in medicine or sent by mail post-paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y.
