TORONTO.

Toronto, August 14.—The run at the City Cattle Market to day was 60 loads with 384 head of cattle, 1,400 sheep and lambs, 250 hogs and 197 calves.

There was a very light run of butcher cattle in the market to-day, with the result that business was brisk while it lasted, but it did not last long. Prices were also held up fairly stiff for anything choice in the butcher line, the market on the whole, showing a little firmer than the best of last week. This condition applies, however, only to the butcher cattle. Export cattle, if anything, were a little on the decline. There was nothing very choice in this class offering, but for the present, with vessel space at a premium, and the old country market not very firm, there is not a very favorable market for the choicest export cattle, of which there is said to be quite a few in the country ready for the fall trade. The market for stockers and feeders is still very dull, except for anything extra choice. The rough and common light stuff is not wanted, and there is practically no market for it just now.

Sheep and lambs are steady. Hogs—The market is steady at last week's decline. The run was very light. Prices were unchanged.

Export—Market easier at \$4 50 to \$4 90 for choice; medium, \$4 25 to \$4 50. Heavy feeders—Good and heavy feeders at \$4 to \$4 25.

Butchers—Market firmer; choice picked butchers' cattle, \$4 25 to \$4 40; medium heavy butchers' at \$3 90 to \$4 10; mixed lots and cows at \$1 75 to \$3 50; fat cows at \$3 30 to \$3 50.

Light Stockers—Market very dull, \$2 25 to \$3 25.

Sheep and lambs—The market is steady at \$4 25 to \$4 60.

Spring lambs steady at \$5 75 to \$6 25.

Calves—Market steady but slow; prices range from \$3 50 to \$6 each.

Hogs—Market steady at last week's decline; select, \$7 40; lights and fats, \$7 15.

Milch cows—Market a little firmer, but with a wide range, from \$20 up to \$50.

EAST BUFFALO.

East Buffalo, August 14.—Cattle—Receipts, 100 head; firm and active; prime steers, \$5 60 to \$6; shipping, \$4 95 to \$5 00; butchers, \$4 25 to \$5 40; heifers, \$3 35 to \$5 10; cows, \$3 10 to \$4 50; bulls, \$2 75 to \$4 25; stockers and feeders, \$2 50 to \$4; stock heifers, \$2 25 to \$3. Veals—Receipts 120 head; slow and 50c lower; \$4 to \$7 50.

Hogs—Receipts, 3,800 head; slow; light-weights, 10c to 15c lower; others easier; heavy, \$6 15 to \$6 30; mixed, Yorkers and pigs, \$6 40 to \$6 45; dairies, \$6 10 to \$6 40. Sheep and lambs—Receipts, 1,000 head; active; lambs, 10c lower; others steady; lambs, \$5 50 to \$5 25; a few at \$5 40.

Mr. Fred Casselman teacher of the seminary school 4th line resigned as he intends going to college and Miss Gertrude Campbell 2nd line who has lately obtained her Normal Certificate has been engaged to teach for the balance of the year.

Mr. Peter Anderson's house on 18 S. R. which lately has been enlarged and remodelled and is fitted with every modern convenience, promises when completed to be one of the most beautiful residences in this part of Warwick. Mr. Robt. McKenzie Warwick is the contractor.

The Calgary Albertan has the following reference to a firm in that city the senior partner being a former well known Warwick boy, son of Mrs. B. Bachelor, of London:—

"The firm of Bachelor, Marshall & Skarin has just secured from the city of Calgary the largest contract ever let by any city to any one firm in the Dominion of Canada. The contract is for 820,000 square feet of sidewalk, or between 21 and 22 miles. The sidewalk will cost \$160,000. For this big job over 80,000 barrels of cement will be used. A barrel of cement weighs 350 pounds. The first began work on Saturday last upon this big undertaking. They expect to have it done by September 1, 1907. This is a new firm composed of three vigorous young Canadians. The firm was formed last year and took the first contract about a year ago. The members of the firm are M. F. Bachelor, R. C. Marshall, both of whom come from London, Ont. where they were engaged in the cement business, and E. Skarin who has been in the city for some years. This firm, though doing an extensive business in Calgary, is prepared to do business in any part of the west.

Another of the early settlers of Warwick passed to the great beyond on Monday July 30th, in the person of John Rose, at the age of 62 years, 1 month and 19 days. Deceased had been in poor health for about a month, but was able to be around until Sunday, when he took to his bed, and death from cancer of the stomach followed on Monday. The funeral which was largely attended, took place from his late residence, lot 7 con. 2, N. E. R.,

on Wednesday, August 1st, at 1 p. m., to Bethel cemetery. An impressive service was held at the house and also at the grave conducted by the Rev. Mr. Hay, of Watford, Congregational minister. The pallbearers were Messrs. S. Harper, Wm. Yorke, Don. McLaughlin, Dan. Kilmer, Wm. James and Wm. Lester. Deceased was born in Westminster, near London, in 1844, and 52 years ago, with his parents moved to Warwick, settling on the farm where he died. Here they hewed out a home. One can hardly imagine the many trials and hardships encountered by the early settlers of that date, having all the inconveniences of a new bush country. In 1880 he married Elizabeth Curtis, who survives him. No children were born unto them, but one adopted daughter, Ettie Curtis, who married Frank Smith of Port Huron about a year ago, also survives; also two brothers and two sisters were left to mourn his loss, namely, Thomas, of Petrolia; James of Ennisville; Mrs. Wm. Prangley, of Alvinston, and Mrs. Henry Byrnes of Warwick. Deceased was a member of The Ebenezer Congregational church, and in politics was a Reformer. The sympathy of the community is extended to the bereaved widow and other relatives. Those present at the funeral from a distance were Mrs. Thos. McKay, Toronto; Thos. Rose, Petrolia; James Rose, Ennisville, and Mrs. Wm. Prangley Alvinston.

SAFETY FOR CHILDREN.

Liquid medicines advertised to cure stomach and bowel disorders and summer complaints contain opiates and are dangerous. When a mother gives Baby's Own Tablets to her little ones she has the guarantee of a Government analyst that this medicine does not contain one particle of opiate or harmful drug. The prudent mother will appreciate that in Baby's Own Tablets there is absolute safety. An occasional dose to the well child will keep it well—and they promptly cure the minor ailments of childhood when they come unexpectedly. Mrs. G. Hamilton, St. Adolphe, Que., says: "I have used Baby's Own Tablets for colic and bowel troubles and find them safe and speedy in their cure." Sold by medicine dealers or by mail at 25 cents a box from Dr. Williams' Medicine Co., Brockville, Ont. Keep the Tablets in the house.

FOUR YEARS AND 25 LASHES.

Limit of the Law Meted Out at London for Criminal Assault.

London, Ont., Aug. 10.—Arthur Lavigne, a French Canadian, was sentenced to the limit of the law, namely, four years in Kingston penitentiary and 25 lashes this morning by Judge Edward Elliott. The prisoner had committed indecent assault on young girls, once in Strathroy and again in London township. Upon hearing the addition to his sentence of 25 lashes, the prisoner broke down and cried.

Caught in the act of peeping through the windows of a home on Broad street, Port Huron, Ernest Call and Orval Demery were arrested by Chief of Police Maines. The men said they came from Forest, Ont. They could not explain their actions.

Messrs. John and Wesley Morrow, of Texas, who are extensive cotton growers and planters in that south-western state, are in Strathroy on a visit to their sister, Mrs. Jas. Smith. This is their first to their native land after an absence of some 35 years.
