NELSON v. UXBRIDGE.

No. 6 District.

An association match, the first in this district, was played at Uxbridge, on Friday, between the Nelson, of Toronto, and the Uxbridge Club. The weather was all that could be desired, and the wicket, though rather lively, was tolerably good. The result showed the visiting team the victors by sixteen runs. Bascom and Hemphill bowled well for Uxbridge. Snyder, of the Nelson, bowled

excellently, taking twelve of his opponents' wickets at but small expense, and he was well seconded by Harley, as the bowling analysis shows. Score:

SECOND ELEVEN OF TORONTO v. NEWMARKET AND AURORA.

This match was played at Newmarket last Saturday, resulting in a victory for Toronto by 87 runs. Newmarket was to have played the match alone, but as five of their best men were engaged for the day, they borrowed the same number of Aurora's crack players, and it may be fairly said that these latter did more than half the work. Score :
