The price of this Belt has always been Six Dollars ($6.00), but to induce invalids to give it a trial we will, for the next ninety days, send the German Electro-Galvanic Belt for ONE DOLLAR, provided you will cut out and send us the annexed coupon and give us your written promise to recommend the Belt if you find it as represented. This Belt is without doubt the best, strongest, and most scientifically constructed Electric Appliance ever introduced, being the invention of the great German Electrician, Prof. Ziegenfust, and has met with the most marvelous success in Europe, being recommended and endorsed by the entire Medical Profession of Germany. The Inventor has in his possession letters from Prince Bismarck and several members of the Royal Family. A quarter of a million of them were sold in the German Empire last year. These Belts, unlike many so-called electric appliances, are very light and not disagreeable to wear, and generate a current that can be immediately felt. Their action is stimulating and at the same time soothing; causing the Stomach, Liver, Kidneys and Nervous System to act as nature intended they should. Curing thousands of cases that internal medicines failed even to relieve. Under no circumstances can it do any harm and must do good no matter what is the complaint. They are made of cloth, silk lined, and the Electric Discs are so arranged that they retain their strength 20 years.

I have lately procured from S. Spillett, of Lefroy, a very high class cockerel, at great expense, which I have mated with a fine pen of Duke of York pullets, from which I expect grand results. The cockerel took 1st at the recent show held here, also special for the best L. B cockerel on exhibition.

Eggs for hatching in season, $1.00 per 13. 3
