

And in the winter season, when the weather is so cold, and the winds so piercing, it is a great relief to have a warm and comfortable pair of boots, which will keep the feet dry and warm, and prevent the cold from penetrating to the marrow of the bones. The boots are made of the best quality of leather, and are lined with a soft and warm material, which will keep the feet comfortable, and prevent the cold from penetrating to the marrow of the bones. While many must know an advance very great, has been made in the value of woolsens of late. Yet our blankets and Ulsters will quickly appear, quite as low as the prices we offered last year.

Our Bonnets and Corsets have been tastefully made, with a prospect of greatly increasing our trade, and our Shawls and our Furs will at once please the eye.

Our manner of business is extensively known, the lowest prices asked, with the article shown; and such a wide variety, shall continue to be, the increasing practice at ONE HUNDRED AND THREE.

Terms of this Paper for 1854. THE "CANADIAN SON OF TEMPERANCE AND LITERARY GEM," is devoted to the interests of the Order of the Sons—to temperance generally—to agriculture and the interests of farmers—to the advancement of Canadian Literature and Science—and to general and political news. The effort of the Publisher and Editor will continue to be to make it a valuable variety of reading matter. Our terms for 1854 are as follows:—

Single Subscribers, sent by mail, or delivered in the city, in advance, or within January, 6s. 3d., cy. At the end of three months, 7s. 6d., cy.; at six months, 8s. 9d., cy.; at the end of the year 1854, 10s. cy. These sums will be considered as due and collectable at the end of these respective periods. Half-yearly Subscribers 3s. 9d., cy., in advance, and \$1 if not paid till the end of the six months. To Agents, Friends and Clubs, we offer these inducements:— To agents whose names have stood upon our Books in 1853, if declining to act as such in 1854, 5s., cy., in advance, will be charged. To old agents, collecting from old or new Subscribers in 1854, \$10— or sending five entirely new names, sending the money to us during the year, at regular prices, a copy will be sent gratis. To any old Subscribers sending two new Subscribers, at regular prices, 5s. only. Ten copies of this paper will be sent to one address for \$10. Twenty copies to one address for \$18. In such cases it must be distinctly understood that the papers will be done up in one package, and addressed to but one person, or Division—and that these sums must be paid in advance, or within January—otherwise the usual credit charge will be made against the person or division ordering them. Any one sending ten new subscribers, at usual prices, of 6s. 3d. each, (in advance,) may deduct out of the money collected 15 per cent, and so for any greater number. The Proprietor, however, gives notice that he will not be answerable for the receipts of, and payments to agents, travelling or otherwise, whose names do not appear regularly as such in this paper. Subscribers, before paying self-constituted agents, should see that they are persons of character and property. For premiums see temperance page next number. The "SON & GEM" will be regularly issued weekly, on Friday afternoons,—dated and mailed on Saturday, so that most, if not all of our Subscribers will receive the same in Canada East and West by Saturday evening. Advertisements will be inserted upon moderate terms—a large deduction will be made for yearly advertizers. All Postages must be paid by Subscribers and Contributors. Address Mr. C. DURAND, Editor and Proprietor—Son & Gem Office, Toronto, C. W.

To persons wishing to Advertise in this Paper. The Son & Gem has always had a large circulation in this city, and the three neighboring counties, never less than from 800 to 1000;—and that too among a buying population, the farmers and mechanics. We intend to increase this circulation within a few months to 1,500, and invite those who wish to advertise to patronize its columns in this way. Our city circulation will be at least 500. Rates of advertising are very easy, and no better way can be found to bring a business into notice than to advertise. We would further add that this paper (unfortunately for the proprietor) is read by a great many who do not subscribe. No paper published in Toronto has so great a circulation in its immediate vicinity.

Printed and Published by Alfred H. St. Germain, at his Book and Job Printing Office, in the Chequered Building, over MOORE'S Wholesale and Retail Grocery Store, Yonge Street, Toronto.

By-Laws and Constitutions of the Sons of Temperance will be printed at this Office in an improved form, and at low rates.
