STOCK OLEVINE
Equals Castor Oil, and
Warranted not to Gum.

It will give the subscriber much pleasure to forward, post free, to any address, on application, pamphlet, containing instructions and information that have been found of the greatest practical use to dealers and consumers of machinery oil in Canada. It contains the fullest information as to the different kinds of oils, their qualities and uses, thus enabling the consumer to make choice of the very oil best adapted to his wants, and also enables the merchant to select the kinds most likely to be in demand in his neighborhood. This pamphlet shows conclusively that oils properly manufactured from petroleum, are vastly superior to any animal or vegetable oil. I am now making the same qualities of "Extra" and "XX" oils I manufactured from 1870 to 1873. They are guaranteed not to thicken with extreme cold, and warranted to give satisfaction in every particular. Beware of Agents soliciting your orders without my trade-marked order-book. Address
