### Reading Notes.

Students, teachers and physicians get Turkish baths at half price, at the Turkish Bath Institute in this city. Travellers say that nowhere in Europe can you get a better bath.

Medical men generally are now recommending the Turkish Bath for the general health, and more especially for rheumatism, coughs and colds. It is a very pleasant remedy.

Gentlemen have the early morning, afternoon and evening hours. The bath is conveniently situated, being on St. Monique at the foot of McGill College Avenue.

Paterson & Foster, 15 Phillips Square, would draw the attention of Medicos to their advertisement in this issue.

Their stock of instruments is very complete, and a visit will be interesting as well as profitable to intending purchasers.

Lovers of music will be glad to hear of the success which one of our Canadian manufacturers has actually achieved. The following letter from so critical a musician as the organist of St. Peter's Cathedral speaks for itself:—

MONTREAL, Nov. 28, 1893.

L. E. N. PRATTE, Esq.,  
MONTREAL.

DEAR SIR,

The upright pianos of your make—if one may form a judgment from the one I have acquired—possess a combination of all the qualities esteemed by musicians: a liquid and singing quality of tone, entirely free from all overtones and rumbling sounds so frequently found in upright pianos; a touch so light and elastic as to answer to the most vigorous attack and the lightest pressure,—in fact, capable of the most varied effects.

Allow me to congratulate you on your good work.

R. OCT. PELLETIER.
