

never be forgotten. Your presence will be greatly missed; but if your new sphere of life and work may prove a benefit to your health, we are willing to make the sacrifice. May the Giver of all good grant you health and strength to set forth the doctrine of the Church of England, the Church of God in another place as you have done here, and may the seed you have sown bring forth fruit in us and redound to the honor and glory of God.

We now wish you "Good-bye," praying that the blessings of Almighty God may ever attend you and yours, and asking you to remember that you will always have the best wishes of the little flock of your first pastorate."

At the last meeting of the Ladies' Guild, of which she was President, Mrs. Bayne, was the recipient of a beautiful silver teapot and biscuit jar from the members. The gift was presented together with an address expressing appreciation of her willing and untiring efforts on behalf of the Guild and Mission, as well as good wishes for the future.

Mrs. Bayne, Sr., also received from the Guild, of which she was an active member, a kind letter of "Farewell," accompanied by a pretty souvenir in silver.

WATERVILLE.

The Rev. R. C. Tambly writes:—

Waterville.—A member of our Congregation, a farmer, recently had his span of working horses killed by lightning. In his loss he found how numerous were his friends, for they readily "chipped in" to the amount of nigh eighty dollars.

The Model School has re-opened after vacation and I have resumed assistance in Bible History.

On Thursday evening, October 5th, we had our Harvest Thanksgiving. The Church was nicely and appropriately decorated and the incumbent of the newly formed Mission of Johnville, Sandhill and Milby, gave us an excellent Sermon. We congratulate our neighbours on the appointment of the Rev. J. Wayman, B.A., as their first Resident. Clergyman. Dominion Thanksgiving Day was marked by a Celebration of the Holy Eucharist.

North Hatley.—A handsome Altar Cross of burnished brass has been

placed in St. Barnabas' Church by Miss Jennie Daves as a memorial to her father—the late Edward Graham Daves, of Baltimore, Md.

Harvest Thanksgiving Service was held here on Thursday evening, September 28th. The decorations were very pleasing, particularly the perspective effect of the archings of maize foliage. There were some Americans present and they were much interested in the Service and thought the fruits of the field were so much more appropriate for such an occasion than simply floral decoration, to which they are accustomed. Dominion Thanksgiving Day was marked here by an evening Service and a fine Sermon by our good Archdeacon.

Eustis and Capelton.—The exterior of the Church here has been painted and we are all pleased with its improved appearance. A hearty Thanksgiving Service was held on Sunday evening, October 1st, with a Congregation of 123. The Church was strikingly decorated; chiefly with autumnal foliage. Grapes and a loaf of bread are always to be seen on these occasions, holding a special place among the Altar manifestations of gratitude in the Churches of this Mission.

The Thanksgiving offertories throughout the Parish were, as usual, for the Clergy Pension Fund of the Church Society of the Diocese.
