**WELLS, RICHARDSON & CO'S  
IMPROVED  
BUTTER COLOR  
A NEW DISCOVERY.**

For several years we have furnished the  
Dairymen of America with a fine, light, and  
neutral color for butter, so meritorious that it met  
with great success everywhere. It is the  
highest and only prize at both the National  
Dairy Fair.

But by patient and scientific chemical re-  
search we have improved in several points, and  
now offer this new color as the best in the world.  
It will not color the Buttermilk. It

Will Not Turn Rancid. It is the  
Strongest, Brightest and  
Cheapest Color Made.

And, while prepared in oil, is so compound-  
ed that it is impossible for it to become rancid.

BEWARE of all imitations, and of all  
other oil colors, for they are liable to become  
rancid and spoil the butter.

If you cannot get the "Improved" write us  
to know where and how to get it without extra  
expense.

**BROIL** steak without salting, as salt draws  
the juices; and cook over a hot, clear fire,  
turning frequently with tong.

**CUCUMBER A LA CRENE.**—Peel and cut  
into slices (lengthwise) some fine cucumbers.  
Boil them until soft, salt to taste, and serve  
with delicate cream sauce.

A **HANDSOME** comforter or shoulder quilt  
is improved by tuffing both sides. When  
there is no appearance of a right or wrong  
side, but both sides are equally well finished.

**BANANA FRITTERS.**—Four eggs, one pint  
milk, a little salt, flour enough to make a  
light batter. Beat the eggs into the milk, and  
add salt and flour. Stir in, pretty thickly,  
bananas sliced thin. Fry in hot lard.]

**CHLORIDE** of lime in solution is an excel-  
lent disinfectant for clothes placed in it, or  
as a wash for walls and floors; but the mere  
sprinkling of it about a place is of little  
value. This last fact is not generally known.

**OATMEAL BISCUIT.**—Take half a pound  
medium oatmeal, quarter of a pound flour,  
one dessert-spoonful of baking powder; mix  
with half a gill of milk, made hot in a sauce-  
pan. Roll out quickly and bake at once in  
very thin cakes.

**JUMBLES.**—Jumbles which will keep a  
month are made thus: One pound of butter,  
one pound of sugar, two pounds of flour,  
three eggs, nine teaspoonfuls of water, three  
of baking powder, with salt and flavouring  
to suit the taste. Roll them and bake in a  
quick oven.

We would recommend our readers who  
have not already done so to visit the hand-  
somely fitted up and elegant Dry Goods and  
Clothing Establishment of **Metley & Petley,**

in advising our readers to visit the above  
firm, as we consider them a thoroughly reli-  
able and straightforward business people.

To make lemon toast beat the yolk of three  
eggs and mix with them half a pint of milk;  
dip slices of bread into the mixture, then fry  
them a delicate brown in boiling butter.  
Take the whites of the eggs, beat them to a  
froth, add to them three ounces of white sugar  
and the juice of a small lemon. Stir in a  
small teaspoonful of boiling water, and serve as  
a sauce over the toast.

**TO DRESS CANNED LOBSTER.**—To one  
can of lobster, take two level tablespoonfuls  
of unmixt mustard, and blend it with half a  
cupful of vinegar, adding pepper and salt to  
taste. Boil two eggs soft, beat them in the  
mustard and vinegar, together with a table-  
spoonful of butter, and let it come to a boil,  
when stir in your lobster. Serve hot, garn-  
ished with hard-boiled eggs cut in slices,  
and parsley. This dressing is very nice for  
salad.

**DAMSON MARMALADE.**—Take six pounds  
of damsons and four pounds and a half of  
sugar. Wet the bottom of an enamelled kettle  
with cold water, put in the damsons, and  
boil for three-quarters of an hour very slowly.  
Rub the pulp through a colander, add the  
sugar to it, and simmer together gently until  
very thick. Crack the stones of the dam-  
sons, and add the kernels to the marmalade.  
Pour into bowls, and cover over with papers  
that will exclude the air.

**BREAD AND APPLE PUDDING.**—One  
loaf bread crumbs, one and one-half  
pints of milk, two eggs, eight sour apples  
(medium sized), one scant teacup of white  
sugar. Cut the apples in quarters, then slice  
them. Butter the pudding dish; spread a  
thick layer of bread crumbs on the bottom,  
then a layer of apples, with little bits of but-  
ter scattered over the top, then a layer of  
bread crumbs, a layer of apples and butter,  
lastly a layer of bread crumbs. Beat up the  
eggs, mix them with the milk and sugar, and  
pour over the bread. Bake in a hot oven  
about one hour. This pudding is sufficient  
for eight persons.

**FOR THE  
KIDNEYS, LIVER & URINARY ORGANS  
THE BEST BLOOD PURIFIER.**

There is only one way by which any disease  
can be cured, and that is by removing the  
cause—whatever it may be. The great medical  
authorities of the day declare that nearly every  
disease is caused by deranged kidneys or liver.  
To restore these deranged organs, and by  
which health can be secured, Hop Bitters  
WARNER'S SAFE CURE has acquired its  
great reputation. It acts directly upon the  
kidneys and liver, and by placing them in a  
healthy condition drives disease and pain from  
the system. For all Kidney, Liver and Urinary  
troubles, for the distressing disorders of wo-  
men, for Malaria, and physical troubles gener-  
ally, this great remedy has no equal. Beware  
of impostors' imitations and concoctions said to  
be just as good.

CHAPTER I.  
"I was taken sick a year ago  
With bilious fever."

"My doctor pronounced me cured, but I  
got sick again, with terrible pains in my  
back and sides, and I got so bad I  
Could not move I  
I shrunk I  
From 228 lbs. to 120 I had been doc-  
toring for my liver, but it did me no good. I  
did not expect to live more than three  
months. I began to use Hop Bitters. Di-  
rectly my appetite returned, my pains left  
me, my entire system seemed renewed. I  
am not only as sound as a sovereign but  
weigh more than I did before. To Hop  
Bitters I owe my life.  
Dublin, June 6, '81. R. FITZPATRICK.

CHAPTER II.  
"Malden, Mass. Feb. 1, 1883. Gentlemen—  
I suffered with attacks of sick headache."

Neuralgia, female trouble, for years in the  
most terrible and excruciating manner.  
No medicine or doctor could give me  
relief or cure until I used Hop Bitters.

"The first bottle  
Nearly cured me;"  
The second made me as well and strong as  
when a child,  
"And I have been so to this day."  
My husband was an invalid for twenty  
years. His serious  
Kidney, liver and urinary complaint  
pronounced by Boston's best physicians—  
"Incurable!"  
Seven bottles of your bitters cured him and  
I know of the  
"Lives of eight persons"  
In my neighbourhood that have been  
saved by your bitters.  
And many more are using them  
great benefit.

How TO GET SICK.—Expose yourself day  
and night, eat too much without exercise,  
work to hard without rest; doctor all the  
time; take all the vile nostrums advertised,  
and then you will want to know how to get  
well, which is answered in three words:  
Take Hop Bitters!

"LETTERS have their time to fall," says the  
poet, but Wild Strawberry leaves are on the  
rise just now, being utilized in such enormous  
quantities in making Dr. Fowler's Extract of  
Wild Strawberry—the infallible remedy for  
Cholera Morbus, Diarrhoea and other Sum-  
mer Complaints.

It is not necessary to enter into particulars  
in referring to the complicated organic and  
functional difficulties to which the more de-  
bate classes of American women are subject  
but we take pleasure in saying that Mrs.  
Lydia E. Pinkham's Great Remedy for all  
these troubles has an unbounded popularity.

Do not delay if suffering any form of Bowel  
Complaint, however mild apparently may  
be the attack, but use Dr. Fowler's Extract  
of Wild Strawberry. It is the old reliable  
cure for all forms of Summer Complaints  
that require prompt treatment. Ask your  
druggist for all dealers in patent medicines.

HAVE you tried Holloway's Corn Cure?  
It has no equal for removing these  
some excrescences.

PEOPLE who read and reflect, after reading  
upon the many published testimonials regard-  
ing Noythrop & Lyman's Vegetable Emme-  
tic and Dyspeptic Cure, can scarcely fail to per-  
ceive that evidence so positive and so abun-  
dant could not be adduced in behalf of a remedy  
of doubtful efficacy. The facts proven by  
such evidence are that it roots out impurities  
of the Blood, restores digestion, enriches the  
circulation, and regulates the Bowels and  
Liver.

If you feel drowsy, debilitated, have  
headache, nervousness, bad, poor appetite,  
constipation, or are suffering from torpid liver,  
Noythrop & Lyman's Vegetable Emme-  
tic will cure you so speedily and  
permanently. Dr. Pierce's "Golden Medical Dis-  
covery." By all druggists.
