Miscellaneous.

HERE IS
Something
In Flowers,
Both new and distinct.

NEW SWEET SCENTED PANSIES.

New Hybrids in which are blended the perfume of
the Violet, with the beauty of the Pansy.

This new class is the result of crossing the pansy with the sweet alpine violet; the
resulting hybrids, in addition to retaining the delightful violet perfume, produce the
most beautiful pansy-like blossoms, 2 to 2 1/2 inches across. The solid or selfs include
white, lemon, orange, claret, crimson, maroon, lavender, purple, rose, black, blue, etc.,
etc. The fancy varieties are exquisitely tinted, striped and blotched. Many critics
consider the combinations and bleedings of color in the NEW SWEET-SCENTED PAN-
SIES to be more beautiful than the ordinary strains of Pansy.

The NEW SWEET-SCENTED PANSIES are hardy, of easy culture, and, planted in
masses or lines, they form perfect mats covered with myriads of flowers. They begin
to make the garden gay in early spring and continue to bloom with marvelous freedom
until autumn. The flowers are borne on long stems which shoot up like the violet
directly from the roots, rendering the flowers of special value for cutting purposes.

PRICE PER PACKET (MIXED COLORS) 25 CENTS.

A complete description of this new floral beauty will be found in our 1895
Catalogue of "EVERYTHING for the GARDEN," which we will send FREE
with every order from this advertisement, when this paper is mentioned. If Cata-
logue alone is wanted, it will be mailed on receipt of 20 cents. As every copy, how-
ever, with postage, costs us 25 cents, you will find it more advantageous to order the
NEW SWEET-SCENTED PANSY and get for nothing a Catalogue of 160 pages, contain-
ing nearly 500 engravings and 8 beautiful colored plates—in fact, the most superb
publication of its kind ever issued. Postage stamps accepted as cash.
