To Preserve the richness, color, and beauty of the hair, the greatest care is necessary, much harm being done by the use of worthless dressings. To be sure of having a first-class article, ask your druggist or perfumer for **Ayer's Hair Vigor**. It is absolutely superior to any other preparation of the kind. It restores the original color and fullness to hair which has become thin, faded, or gray. It keeps the scalp cool, moist, and free from dandruff. It heals itching humors, prevents baldness, and imparts to the hair a silken texture and lasting fragrance.
