

TESTIMONIALS.

TWENTY YEARS' CASE OF RHEUMATISM CURED.

1 North Park St., Halifax, N. S., October 22, 1878.

Having been a sufferer from Rheumatism for more than twenty years, and under treatment by the best doctors here and of Boston, Mass., without permanent relief, I was induced to try the Holy Land Green Oil, and received immediate relief from same, and have not felt any symptoms of the Rheumatism since, and believe the cure permanent. I testify to the virtue of this valuable medicine (unsolicited by any one) in the interest of suffering humanity, as I feel convinced that others suffering from Rheumatism may be positively cured by its use.

THOMAS ARCHIBALD.

QUINSEY AND SORE THROAT CURED.

164 Bay St., Toronto, October 2nd, 1878.

I beg to certify that I have used your Holy Land Green Oil and find it an invaluable medicine. I am an auctioneer, and was suffering from a severe sore throat, so much so that I was unable to follow my occupation, and could hardly eat anything, my throat being so swollen. I used the Oil as directed. After two or three days I was enabled to sell. You are at liberty to use this certificate if you feel disposed.
