DONALD KENNEDY Of Roxbury, Mass., Says:

Strange cases cured by my Medical Discovery come to me every day. Here is one of Paralysis—Blindness—and the Grip. Now how does my Medical Discovery cure all these? I don't know, unless it takes hold of the Hidden Poison that makes all Honor. *YANGONIA CITY, NEVADA, Sept. 24th, 1891.*
Donald Kennedy writes: I will state my case to you: About nine years ago I was paralyzed in my left side, and the best doctors gave me no relief for two years, and I was obliged to try your Discovery, which did its duty, and in a few months I was restored to health. About four years ago I became blind in my left eye by a spotted catarrh. Last March I was taken with La Grippe, and was confined to my bed for three months. At the end of that time, as in the start, then it struck me that your Discovery was the thing for me; so I got a bottle, and before it was half gone I was able to go to my work in the mines. Now in regard to my eyes, as I lost my left eye, and about six months ago my right eye became affected with black spots over the sight as did the left eye—perhaps some twenty of them—but since I have been using your Discovery they all left my right eye but one; and, thank God, the bright light of heaven is once more making its appearance in my left eye. I am wonderfully astonished at it, and thank God and your Medical Discovery.
Yours truly, HANK WHITE.

NORTHROP & LYMAN'S VEGETABLE A Great Blood Purifier

A Sure Cure for DYSPEPSIA

DISCOVERY

A Medical Triumph!

HOW THE HEALTH OF ONE OF BELLEVILLE'S CITIZENS WAS RESTORED.

Remarkable Cure of Dropsy and Dyspepsia.

Mr. SAMUEL T. CASEY, Belleville, writes: "In the spring of 1881 I began to be troubled with Dyspepsia, which gradually became more and more distressing. I used various domestic remedies, and applied to my physician, but received no benefit. By this time my trouble assumed the form of Dropsy. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up, and I quite expected death within a few weeks. NORTHROP AND LYMAN'S VEGETABLE DISCOVERY having been recommended to me, I tried a bottle with but little hope of relief; and now, after using eight bottles, my Dyspepsia and Dropsy are cured. Although now seventy-nine years of age, I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and you have liberty to use my name in recommendation of your VEGETABLE DISCOVERY, which has done such wonders in my case."

A Very Bad Case!

DYSPEPSIA VANQUISHED.

Mr. JAMES JOHNSTON, 4th con., 7th lot, Amaranth, writes: "Two bottles of NORTHROP & LYMAN'S VEGETABLE DISCOVERY cured me of Dyspepsia. Mine was a bad case and I had tried a number of other preparations without getting any benefit from them."

Dyspepsia Had to Go.

Mr. W. J. DEVELL, Wingham, carpenter and builder, writes: "Three years ago I was greatly troubled with Dyspepsia; a pain between my shoulders was so bad that I thought I would have to quit work altogether. No medicine gave me ease until I got a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY, which gave me relief. I continued using the medicine until I had taken three bottles, when I was perfectly well. I consider it invaluable as a cure for Dyspepsia. I know of several persons who have used it with the same benefit."
