

WALL PAPER

SEASON 1903-4.

We take pleasure in announcing that our travellers will be on the road shortly with the celebrated Watson Foster Wall Papers.

The new line excels anything they have yet produced, and embodies the result of months of diligent effort on the part of designers of world-wide reputation.

Our representative will visit you in ample season, and we know that it will be in your interest to defer buying until you have seen our samples.

RECIPE FOR PASTRY

To one cup of Ogilvie's "Hungarian" add a pinch of salt. After mixing thoroughly add two tablespoonfuls of lard, rubbing and mixing the flour and lard well together. Then add three tablespoonfuls of cold water and roll thin. Pastry dough should be handled as quickly and as little as possible. It improves the dough if permitted to stand 24 hours in a cold place.
