

Tailor made bodices, of cloth or velvet are what the women in Paris wear with their lace double skirts.

Some of the latest dressing gowns are simple rotondes of muslin or surah trimmed elaborately with delicate Oriental lace.

Mr. Henry Graham, Wingham, writes: "I was in North Dakota last May, and I took a bottle of Northrop & Lyman's Vegetable Discovery with me, as I did not feel safe without it. While there a lady friend was suffering with Indigestion, Biliousness and Headache, I recommended the Vegetable Discovery to her and she tried it, and the result was that it did her so much good that I had to leave the balance of the bottle with her."

Rubies, sapphires, and emeralds are mixed together to form a fashionable medley of color in all sorts of jeweled adornments.

Messrs. Parker & Laird, of Hilledale, writes: Our Mr. Laird having occasion to visit Scotland, and knowing the excellent qualities of Dr. Thomas' Electric Oil, concluded to take some with him, and the result has been very astonishing. We may say that in several instances it has effected cures when ailments have been pronounced incurable by eminent practitioners.

Pretty flouncings have a foundation of brown net, over which are raised little bunches of flowers in even threads, solidly worked.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely and safely cleanses the system of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, **SCROFULA** AYER'S SARSAPARILLA will disengage and expel it from your system. For constitutional or scrofulous Catarrh, **CATARRH** AYER'S SARSAPARILLA is the true remedy. It has cured numerous cases. It will stop the nauseous catarrhal discharge, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882.

ULCEROUS SORES—At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful and alternative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies, and no treatment of any disorder was ever attended by more prompt or effectual results.

Yours truly,
B. F. JOHNSON.
