JOHN A.—DON'T GET EXCITED, MY LITTLE DEARS; READ IT OVER CAREFULLY WHEN YOU'RE COOL, AND ACT UPON IT.

Like Indian tribe, or Highland clan,
Parties fought for their favorite man.
One side presents to Decimus Dix
An elegant pair of candlesticks;
While Fag's admirers on him confer
A large-sized copper extinguisher.
But, after awhile, a few agreed,
That such dissensions were sad indeed;
And certain it was, by these affairs,
Scandalized very much was St. Bay's:
Till two attorneys the evil saw,
And sought to settle the thing by law.
Here I should very much like to show
How it ended; but really don't know
Which of the two the Bishop will fix,
Philimore Fag or Decimus Dix.

Belle metal—baubles.
Annual drill—Planting corn.
A cross game—sometimes—Lacrosse.
“A heated term.”—Calling a man a liar.
“A joint appeal”—asking for beef at the butcher's.
A Coolie dog will sometimes very coolly take you by the leg.
Many persons are in camp just now; others are on the Campaua.
The first royal physician in Egypt must have been Pompey's pillar.
“I only want my dues”—as the grass remarked to the evening.
“I have been very low”—as the sick coal miner said to the doctor.
Men who have canvas hotels in Manitoba are in tent on making money.
Young ladies, no doubt, wear the new water proofs for divers reasons; at least they resemble divers in them.
