BRISTOL'S SARSAPARILLA.

This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long-standing cases of

SCROFULA,

and has invariably been successful in curing them. It has been again and again tested in Fever and Ague Intermittent and Remittent Fevers, and always with the same excellent results. In

RHEUMATISM AND GOUT

tis infallible, curing cases that had resisted all other treatment for nearly a lifetime, allaying every phase of inflammation, and leaving the joints in a natural condition. In

OLD SORES

it is a sovereign remedy-causing new circulation of the blood around the edges of the sore, and speedily filling up and drawing together the flesh, which in old sores is generally inert and lucless. In

SORE EYES AND RUNNING EARS

the effect is truly wonderful. The acrofulous and deprayed blood and humors on which such sores feed and live, are neutralized at the stomach, the fountainhead, and new and healthy blood soon washes away every vestige of disease. In.

ULCERS AND TUMORS

the effect is equally gratifying, although of course, it is necessary to persevers for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

the Sarsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because, unless this is done, and the nature of the blood and humors be entirely changed throughout the whole body, the disease is liable to geturn with unabated force. In

BOILS AND CARBUNCLES

the Sarssparilla should be taken five or six times a day, but not in very large doses - say two or three tablespoonfuls at a time. And in all of these diseases we strongly arge the use of Bristol's Sugar-Coated Pills in conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to rest. In this way, cures will be more speedily ef-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

A BOUQUET

VIOLETS AND WATER LILLIES

Exhale an exquisite fragrance, agreeable to the most fastidious, but in the Florida Water of Marray most fastidious, but in the Florida water or marray & Lanman it is not to these two floral beauties alone that we are confined; in it we have the full fragrance of a whole bouquet of blooming tropic flowers,

MOSS-ROSE AND JASMIN.

Exquisite in their odors, are yet poor by compari-son with the clouds of incense that arise from Marray & Lanman's Florida Water, so justy styled The Queen of Floral Perfumes' ORANGE FLOWERS AND HONEYSUCKLE.

Delightful in the pure delicacy of their sweet breath, but faint and fading when compared with

the refreshing and strengthening perfume of Murray & Lauman's Florida Water. PRIMROSES AND HELIOTROPE. Full of sweet perfume, and agreeable to many, but

void of those important hygienic properties which make Murray Lanman's Florida Water so welcome

in a sick-room.

DAISIES AND BUTTERCUPS. Nature's every-day perfumes, exhaling floral incense familiar to us all, but from which we turn eag. erly away to the more refined, delicacy of fragrance

of Murray & Lanman's Florida Water.

LAVANDER AND MAGNOLIAS. Rich with heavy perfume, but not invigorating nor

refreshing, and so sweet that the seess of smell soon cloys, and longs for the simple freshness of Murray & Lanman's Florida Water. SWEET BRIER AND GLOVER BLOOM. Bringing memories of country life, and exhaling a

perfume pure and delicate, but lacking uniformity and permanence so marked a feature in Murray & Lanman's Florida Water.

MIGNONETTE AND DAFFODILS. Of poetic celebrity, sweet and pleasant in the perfome but still only the perfome of single flowers. In Murray & Lanman's Florida Water we have the combined fragrance of more than all these floral beauties; We have the unappreschable richness of the far-off tropic flowers made permanent, and giring justly to the exquisite Toilet-Water the title of

THE EVERLASTING PERFUME. Purchasers should be careful to ask for the Florida Water prepared by Lanman & Kemp, New York, who are the sole proprietors of the genuine

perfume. For Sale by all respectable Druggists, Perfamers, and Fancy Goods Dealers. July 16, 1869.
