*NOTE—It will be noted that the figures relating to the imports of coin and bullion for the twelve months ending May, 1915, amounted to \$132,349,976, as against \$15,378,272 for the same period of 1913-14. Although it has been customary to include these figures in Trade returns, the total trade figures are seriously disturbed by them in this instance and they should not be taken as an indication of the trade of Canada.
