CHAS. E. MCCLURE

It is stated that not a vacant store can be had in Granby, Que. But Mr. A. C. Savage is to build a handsome block of six stores in the town, seeing that the demand for accommodation is pressing.

LAST week we stated that J. C. Jones, dry goods dealer in this city, had called a meeting of his creditors. We now learn that being unable to make a satisfactory arrangement with them he has assigned.

UNCLE SAM had 997,735 pensioners on his army and navy pension bureau on 30 June last, and the amount paid them during the fiscal year was \$67,687,233, a decrease of \$1,790,000 from the roll of 1899-1900.

We have seen a hanger, issued by the Canada Paper Co., which is ingenious and useful for offices. The company will be pleased to forward one to any book-keeper or office manager, who will address a post card to the company in Montreal or Toronto.

At a fire on Saturday night last, in the Canadian Rubber Company's works, Montreal, damage was done to the extent of \$5,000. Ferdinand Paquet, caretaker; Alphonse Pepin, and a woman relative, who were on the premises, were taken out of the building badly burned, and died at the hospital next day.

LENNOXVILLE council has passed a by-law providing for the consolidation of its debt and the issue of \$22,000 in debentures to be paid at the rate of \$500 yearly. At present there are \$12,000 in bonds maturing in January, 1902, besides a floating debt of \$10,000. The ratepayers are to vote on the by-law on the 28th inst.

THE Chatham, New Brunswick, World says: "The Sulphate Fibre Company's mill, with the timber limits belonging to it, is in the market, awaiting a purchaser. The bondholders, who are now in possession, will not run it, and if a purchaser be not obtained, it will be closed. This would be a great blow to Chatham, and something should be done to avert the danger."

THERE are always human hogs, who will take advantage of other people's necessities. Some such were among the so-called farm hands, who went west this month. The Winnipeg Telegram, of 15th inst., tells the story thus: "The complaints made by some of the recently arrived harvest hands, that they were unable to secure situations, has caused some comment, and the charges made have been frequently contradicted. One prominent gentleman said to a Telegram reporter: 'I went out as far as Treherne with the heavy train on which were a large party of these laborers. At every station along the route there were farmers ready and willing to hire the men, but as the arrivals had made up their minds to get \$60 per month or nothing, and at that price there was nothing doing. I heard many offers of from \$35 to \$50 per month, but these were promptly declined. The men nearly all went on westward to the end of their tickets.'"
