J. BRUCE
118 King St. West
ART PHOTOGRAPHER.

Guarantees the finest and most artistic work
that can be produced, and allows a liberal dis-
count to Professors and Students connected
with Toronto University and other colleges.

"Mamma," said a little Chicago girl
"Yes, dear." "Do you think I'll have
the same papa all this yea?"

Smythe, who is something of a con-
noisseur in art, says his servant girl, who
lit the fire with kerosene, was done up in
oil.

"The times will improve when tobog-
ganing is over," said Jones. "How's
that?" asked Smith. "Well, we won't
see so many people going down hill
then."—*Boston Courier.*

A negro preacher described hell as icy
cold, where the wicked froze to all
eternity. Asked why, he said, "'Cause,
I don't dare tell dem people nuffin else.
Why, if I say hell is warm, some dem ole
rheumatic niggers be wantin' start down
dere de very fus' fros'."

Frenchman (learning English).— Ah,
yees. Now I begins to onderstand
vot I nevare could make de sense of
before. De small *vaisseau*, de weak
one, de female, you call it de sheep,
and de strong one, de vot you call man-
o-bar, de ionclad, he is de ram, *n'est ce
pas?*

CONSCIENTIOUS TO A FAULT.—Native
of those parts, to stout commercial per-
son (to whom it is a life and death matter
that he should catch the train seen in the
distance), very deliberately, indeed, and
between mouthfuls of bread and cheese—
"Well, sir, I can't rightly say which is the
shortest cut, I'm sure, for you see both
roads leads to it, as it were, and some says
one is the highest, and some says the
other is nigher still; I myself says one's
half as far again as t'other; but then,
bless you, that's only my opinion, you
see, and the Lord forbid I should mislead
you when you are in a hurry."

ECONOMY!

Economy is one of the most essential
points in a young man's career. He must
be especially careful in dealing in luxuries.
A person, for instance, knows just about the
value he is getting when he buys a pair of
boots or a suit of clothes, but in the matter
of jewellery, diamonds, and watches he must
deal with a reliable house, if he expects to
get the proper value for the money invested.
Such a place is E. M. Trowern's, his record
in past years being of the best as a manu-
facturer of gold and silver goods. He em-
ploys his own designer and staff of workmen
on the premises, and is, therefore, in a posi-
tion to turn out the best work at lowest
possible prices. We import the bullion and
turn it out in the latest styles of jewellery for
ladies and gentlemen's wear. Our store and
factory are at 171 Yonge street. Call and
see our goods.
