

Rocket and balloon launching schedules and all other details shall, for each specific case, be arranged between the Cooperating Agencies.

ARTICLE V

Safety

All programs conducted at the NRC facilities shall conform to the NRC Safety Regulations in force at the NRC facility.

ARTICLE VI

Financial Arrangements

1. For each launching of a sounding rocket from the NRCSRF pursuant to this Agreement, the United States shall pay at a rate or rates to be mutually agreed by the Cooperating Agencies.

2. For United States experiments at the NRCSRF not involving sounding rockets, the appropriate remuneration shall be agreed in each individual case by the Cooperating Agencies.

ARTICLE VII

Data Exchange

The scientific data derived by each Government from the conduct of activities pursuant to this Agreement shall be made available on request within a reasonable period of time to the Cooperating Agency of the other Government, subject to normal protection being given to the interests of prime experimenters. Scientific data will also be made available to the international scientific community, subject to the protection of the experimenters' rights.

ARTICLE VIII

Definition of term "United States Personnel"

For the purpose of this Agreement, the term "United States Personnel" shall mean:

1. Civilian personnel (including persons who are not United States citizens) engaged in or connected with United States activities on the NRC facilities but excluding:

- (i) Canadian citizens and persons ordinarily resident in Canada
- (ii) Personnel employed by a contractor engaged by the Canadian Cooperating Agency for the operation and maintenance of the NRC facilities.

2. Members of the United States "force" and "civilian component" as defined in Article I of the North Atlantic Treaty Status of Forces Agreement signed in London on June 19, 1951.
