

ACRONYMS

ABSA	American Biological Safety Association	ISTC	International Science and Technology Center
BW	Biological weapons	ITEP	Institute of Theoretical and Experimental Physics
CIDA	Canadian International Development Agency	IVBWG	International Veterinary Biosafety Working Group
CIS	Commonwealth of Independent States	KSCQZD	Kazakh Scientific Centre for Quarantine and Zoonotic Diseases
CNC	Closed nuclear cities	MPF	Metal parts furnace
CW	Chemical weapons	NEFCO	Nordic Environmental Finance Corporation
CWC	Chemical Weapons Convention	NGO	Non-governmental organization
CWDF	Chemical weapons destruction facility	NDEP	Northern Dimension Environmental Partnership
DFAIT	Foreign Affairs and International Trade Canada	NPS	Nuclear-powered submarines
DOE	U.S. Department of Energy	NSF	Nuclear Security Fund
DPL	Destruction process line	NTI	Nuclear Threat Initiative
EBRD	European Bank for Reconstruction and Development	OPCW	Organisation for the Prohibition of Chemical Weapons
EBSA	European Biological Safety Association	PNPI	Petersburg Institute of Nuclear Physics
EU	European Union	RBAF	Risk-Based Audit Framework
FSU	Former Soviet Union	RMAF	Results-Based Management and Accountability Framework
FSUE EP	Federal State Unitary Enterprise Engineering Plant	Rosatom	Russian Federal Agency for Atomic Energy
GP	Global Partnership	RTG	Radioisotope thermoelectric generator
GPAG	Global Partnership Advisory Group	S&T	Science and technology
GPP	Global Partnership Program	SLD	U.S. DOE Second Line of Defense Program
GPWG	Global Partnership Working Group	SNF	Spent nuclear fuel
GTRI	U.S. DOE Global Threat Reduction Initiative	STCU	Science and Technology Center in Ukraine
HEU	Highly enriched uranium	STTAG	Science, Technology and Trade Advisory Group
IAEA	International Atomic Energy Agency	WMD	Weapons of mass destruction
IBWG	International Biosafety Working Group		
IPR	Intellectual property rights
