

✓ Consultations with non-governmental organizations (NGO)

8.11. Taking into account the competence of each subsidiary body, the SBI will have overall responsibility for all policy questions and relevant inputs related to issues dealing with NGO-consultations, as appropriate.

9.12. Should the SBSTA or any other subsidiary body feel that NGOs could provide relevant input on an item being considered, that body could seek and consider such inputs.

10.13. Issues involving ^{provisional} accreditation related to individual NGOs will be the responsibility of the relevant body involved.

✓ Activities implemented jointly

11.14. The SBSTA will have the responsibility for:

- (a) Developing the framework for reporting, including consideration of scientific, technical and methodological aspects of the reports;
- (b) Preparing a synthesis report of activities for the COP.

12.15. The SBI will have the responsibility for ^{its reviews of} assisting the COP with any comprehensive review of the AII pilot phase, on the basis of inputs from the SBSTA. ^{for the preparation of the AII} ^{of} ^{to check}

Assisting the COP with its reviews of AII under the pilot phase, on the basis of inputs from the SBSTA

(a) Assisting the COP with any comprehensive review of the AII pilot phase, on the basis of inputs from the SBSTA.

Assisting the COP in the preparation of the AII

Research and systematic observation

13.16. ^{In accordance with} ~~As provided in~~ Article 5, the SBSTA will have the overall responsibility for issues related to research and systematic observation, where necessary, drawing upon the SBI. The SBSTA shall also play a coordination role in ^{such} ~~the~~ activities related to climate change relevant to the implementation of the Convention.

with input from the SBSTA as appropriate

✓ The SBI will have the responsibility for assisting the COP in the reassessment and review of the implementation of the Convention with respect to Education, training and public awareness.

14.17. The SBI will have the responsibility on those aspects related to financial and technical cooperation based on the Convention. ^{with input from the SBSTA as appropriate} ^{for the assessment and review of} ^{the effective implementation} ^{of the Convention with respect to ETC PA}

15.18. ^{Further clarifying} ~~As decided in~~ 6/CP.1, the SBSTA will have ^{overall} ~~the~~ responsibility in ^{providing advice on} ~~the~~ development of educational and public awareness programmes, and public access to information, ~~as well as development of education and training programmes.~~
