Rulings and statements  
Address in reply  
Amendment to amendment  
Declared to be in order, 1614-15, 1725-26  
Which might more appropriately be moved when the main motion as amended is presented to the house, allowed to stand, 1725-26  
M. for engrossing and presentation is a procedural motion which is not debatable, 1826
- Bills**  
Amending a statute, discussion should be on the amending bill not on the statute, 1477  
Amendment to second reading to indicate disagreement with principle of bill, 2049  
Containing taxation sections, referring to ways and means committee, point of order should have been raised at the time the motion was made . . . for the house to go into committee of the whole, 821  
Passing reference (to another statute) should be permitted so long as there is no debate or discussion on that particular legislation. . . Reference to should be as brief as possible, 1282  
Resolution, motion for introduction of, explanation on can only be made with unanimous consent of the house, 1922  
Second reading, amendment to (is) foreign to present bill and does not satisfy the requirement of relevancy, and therefore is out of order, 2061-63
- Committee**  
Amendment to motion for appointment of cannot stand "because it does widen the terms of the original resolution," 672-73  
Special, has no power to consider matters other than those set forth in the motion setting up the committee . . . there is a standing committee to which this matter could be referred, 539
