

*Proceedings on Adjournment Motion*

the official languages bill debate is completed, I hope sometime next week. We will then be ready to file the bill, move for second reading and refer it to the committee. The hon. member has expressed hope that some additional information may be forthcoming at this time. Without being evasive I should like to say I am not in a position to advise him about these amendments at this time. I will be in a position to advise all hon. members of this

possibility, and will do so as soon as I possibly can.

[*Translation*]
