A. D. MacTier, Esq.,
Vice-President, Canadian Pacific Railway Company,
Windsor Station,
Montreal.

My dear Mr. MacTier:-

Enclosed herewith find copy
of a letter received from a Mr. Crandall now
living in Clarion, Iowa. I do not remember him,
but I am willing to believe that all he says in his
letter is quite true.

As to his ability as an officer
of a Railway Company some investigation would have
to be made, but I hope that the Canadian Pacific
Railway may be able to bring back to this country
one who is so desirous of bringing his family up
British subjects.

Yours faithfully,
