PETROGRAD, March 25.—The first
step of Farny (Przemysl) comes
from the borders of north Poland,
where the Germans are desperately
trying to galvanize their water-logged
campaign. Great forces moving
across the streams running from the
Mazurian Lakes towards the Narw
River have been counter-attacking in
an attempt to recapture the trenches
lost a week ago, but the Russians are
pressing slowly forward, helped by
the raids of their light cavalry for the
possession of the plantation below
Myshkietz. There was fierce fighting,
ending with the Russians destroy-
ing two German battalions and a third
led.

Important Development.
An important development took
place on the north bank of the Nie-
men, where a strong Russian column
entered German territory westward of
Lurburg and Tarnobrzeg and engaged
an important body of the enemy,
which had moved from Pilsa. This
advance was of a different character
from the expedition to Memel, which
secured important prisoners.

There are signs that reinforcements
are reaching General Von Eichhorn.

OTTAWA, March 25.—Respecting
the recent telegram sent by General
Sam Hughes to the Mayor of Winni-
peg, of which his worship complained
to the prime minister the following
correspondence was given out to-
night:
Sir Robert Borden's reply to the
major reads as follows:
R. D. Waugh, Mayor, Winnipeg.
"Referring to your telegram of 18th
inst. to minister of militia, no definite
arrangements yet made as to place of
mobilizing third contingent and fourth
contingents, but minister assures me
the camp will not be overlooked. You
will realize, of course, that the train-
ing must be such as to accomplish
the paramount necessity, we will give
to your representations every such
consideration as may be possible, and
we thoroughly realize that our great west-
ern provinces which have contributed
so splendid a force for the service of
the Dominion and the Empire in this
great war are entitled to have us take
into account as far as practicable the
considerations which are urged in
your telegram."
Major (Sigmund) R. L. Borden.
To this Mayor Waugh replied as
follows:
"Right Hon. Sir Robert Borden, Pre-
mier, Ottawa.
"Your telegram March 23rd refer-
ring to my telegram of 18th inst. is
acknowledged. I am glad to hear that
you are so anxious to meet the wishes
of your constituents at Soudan. The
consideration by the government of the
contentions of the people of the west
regarding the mobilization of the
third and fourth contingents at Soudan
will be fully appreciated, and we
trust you will be able to comply as far
as possible with our desire without
impairing the training efficiency of
the western troops."
(Sgd.) R. D. Waugh, Mayor.

NISH, Serbia, March 25.—(Via London, March 25, 3:08 a.m.)—The
Odjick reports the discovery in Sofia, Bulgaria, of a conspiracy against the
government. The newspaper says it is headed by a Bulgarian functionary
named Papa Tansoff, who is regarded as the instigator of the recent out-
rage at a masked ball in Sofia, when a bomb was exploded, killing several
persons and wounding others.

Violent Bombardment Re-
sumed and Return-Fire
as Very Weak

SOME FORTS REPAIRED

New Guns Also Placed in
Position by the
Turks.

LONDON, March 25.—(3:05 a.m.)—
Telegraphing Tuesday from Salonika,
The Daily Mail's correspondent says:
"Notwithstanding the continuance of
the gale, a light squadron today pen-
etrated the Dardanelles as far as the
mine zone and completed its recon-
naissance without incident. The mine
sweepers continue their work."
"The cessation of hostilities owing
to the bad weather has enabled the
Turks to effect important repairs to
the more seriously damaged forts, and
to bring new guns into position, re-
placing those destroyed by the fire of
the allied fleet. The naval action will
be resumed shortly."

TRAVELERS SAY THE TURKS ARE FORCING
ALL GREEKS TO LEAVE PRINZIPIS ISLAND, IN
THE SEA OF MARMORA, SOUTH OF THE BOS-
PHORUS, TO PREVENT THEM FROM WATCHING
THE OPERATIONS IN THE SEA OF MARMORA.

BOMBARDMENT RESUMED.
The Anglo-French fleet has again
entered the Dardanelles and opened a
violent bombardment of the Turkish
forts near the Narrows, according to
a despatch from the island of Tenos
this afternoon. Several forts near
Kilis Bashi replied feebly as the war-
ship steamed into action, but soon
ceased their fire. The bombardment
was continued when the last word
reached Tenos.

THE TURKS GREATLY FEAR A LANDING OF

CONCENTRATED 48,000 MEN ON THE ASIA-
TIC SIDE OF THE DARDANELLES, AND THE

UNITED STATES SUBMARINE LOST
TWO MILES OFF HONOLULU HARBOR
WAS SUBMERGED AT 9 A.M., AND HAD NOT REAPPEARED
BY NIGHTFALL—CARRIED A CREW OF 25.

HONOLULU, March 25.—The American submarine F4, which was
submerged at 9:15 a.m. today, two miles off Honolulu harbor, had not
reappeared at nightfall, and grave fears were expressed for its safety. The
F4 carries a crew of 25 men, and is commanded by Lieut. Alfred L. Ede.
The three other submarines of the F group stationed here, the
naval tug Navajo and launches were scouring the ocean for miles about
the harbor entrance tonight in search of the missing vessel. Naval offi-
cers said they were hopeful that no serious mishap had befallen the F4,
but they admitted that the circumstances of the craft's prolonged disap-
pearance gave rise to much apprehension.

LONDON, March 25, 3:25 p.m.—The

British and one French steamer in the
English Channel, and damaged three
other vessels, had been sunk with all

IN WHICH TO LEAVE THE VESSEL.
THEY DID SO AND THE SUBMARINE THEN
FIRED SEVERAL SHOTS AT THE STEAMER,
WHICH REMAINED AFOAT FOR AN HOUR.
THE CREW ROWED ABOUT IN THEIR BOATS
UNTIL PICKED UP BY A DESTROYER, WHICH
BROUGHT THEM TO DOVER.

THE TRAWLER ALPHEUS WAS ATTACKED
BY THE SUBMARINE TODAY. A TORPEDO
PASSED WITHIN TEN FEET OF THE TRAWLER
BOAT WHILE SHE WAS CROSSING THE CHANNEL.
A BRITISH PATROL BOAT CHASED THE
SUBMARINE, WHICH, HOWEVER, DISAPPEARED.

THE ADMIRALTY, IN REPORTING THE SINK-
ING OF THE MEDEN, BY THE U 23, SAID:
