Two Fishermen Drowned. Lunenburg, N. S., April 18.—The fishing schooner Shepherd King arrived here today from the Banks with her flag flying at half-mast for the loss of two of her crew. They were Herbert Coolen of Hubbards, N. S., and Benjamin Tibbs, a native of New Brunswick. The men went out to haul the trawls and they never returned to the vessel.

Final Decision by Price Question. New York, April 18.—In its weekly review of the market, the Wall Street Journal says: "While they wait, the government will be buying of the market, and the buyers are doing so and are showing about the course of the market, and in the price maintenance, the market of so-called 'meanwhile' utility such products as wheat, flour, and other commodities which are being sold in nearly all cases at Washington on March 18th. The scale of operations is being maintained."

Speaking of snow, wind, rain and sun—"they are up against it" when they try to get through or damage a Neponset Paroid Roof. Once a Neponset Paroid Roof is properly laid, it is there to stay, wear and protect. Repairs cost you nothing and inspection is unnecessary—simply lay your Neponset Paroid Roof and then forget about it.

For twenty years Neponset Paroid Roofing has been used by railroads and great industrial plants on their large and small buildings. Sheds, shops, freight depots and tool houses have been protected by Neponset Paroid Roofing for all these years without renewal.

Neponset Paroid Roofing is quickly and easily laid. It costs little. It is fire-resisting and unaffected by heat, cold or the elements. Roof with Neponset Paroid—It Pays Neponset Paroid Roofing is made in three colors, red, green and slate grey.

Hold Evangelical Session at Tavistock. Delegates From Northwest and United States—Bishop Heim-miller Gives Address. Tavistock, April 17.—The Canadian conference of the Evangelical Association, in annual session, was opened here today by the president, Bishop G. Heimmiller of Cleveland. The bishop addressed the conference on the vital subject, "Why the Present Dearth of Ministers," and gave the following reasons: First, God marches faster than the church can follow; second, the church is unable to meet the demands of God; third, the church is unwilling to sacrifice; fourth, church members are not willing to support the gospel according to means; fifth, ministers often lose sight of their great calling; and sixth, the church falls in intercessory prayer.

Many Delegates. Besides the ministers and lay delegates from Ontario and the Canadian publishing agent, Rev. C. Panser, publishing agent of Cleveland, Ohio, and Rev. B. R. Wiener, missionary field secretary of Chicago, were welcomed and requested to address the conference. Prof. E. E. Domm, representing the educational interests of the Presbyterian church, gave an address on religious education. The presiding bishop addressed the conference a second time, giving an address on the church of the future.

Clemenceau Honors Heroine of the War. Paris, April 11.—Twice sentenced to death by the Germans, a young heroine of the war, Louise Thuliez of Valenciennes, was decorated on March 21 by Premier Clemenceau with the Cross of the Legion of Honor, and the Croix de Guerre with the palm leaves. She distinguished herself by helping French and allied soldiers to escape from German hands, and twice the urgent intervention of the Spanish minister, Brussels saved her from the firing squad. She was eventually sentenced to penal servitude for life, but was released three years of her sentence, the German treaty put an end to her internment!

British Used 4,000,000 Rounds During Battle of the Somme. Washington, April 18.—During the battle of the Somme in 1916, the British army used 4,000,000 rounds of artillery ammunition, according to a statistical announcement published today by the War Department. This is the largest number of shells used in a single engagement so far as records show. Second in amount of artillery ammunition used was the battle of Messines Ridge in 1917, when 2,750,000 rounds were used by the British.
