Weak Heart and Nerves.

Mrs. Chas. H. Jones, Pierceton, Que., writes:

"For years I have been a great sufferer with my heart and nerves. I would take shaking spells and a dizzy, swimming feeling would come over me. Night after night I would never close my eyes, and my head would ache as though it would burst. At last I had to keep my bed, and though my doctor attended me from fall until spring his medicine did not help me.

"I have now taken five boxes of Dr. Chase's Nerve Food, and it has done me more good than I ever believed a medicine could do. Words fail to express my gratitude for the wonderful cure brought about by this treatment."
