### BASEBALL.

The Cockneys played another superb game of ball at Tecumseh Park yester day, defeating the Leafs hands down. Seiver did the trick. He had splendid control and remarkable speed. For six beautiful innings the Leafs were held down to one little bunt by Lafleur. With that exception, the only hits they made were three in the seventh inning. These were three singles.

The run in the first inning was due to a brace of errors, by Frank, and an error by Mohler. Loose fielding by Schwartz, Mohler and Frank in the seventh inning was responsible for one of the runs scored.

The locals made two three-sackers and a home run off Damoth, besides a big bunch of singles in the seventh. In the second inning Jones lifted the first ball pitched beyond the track in right field, and took three bases. He tallied on Wagner's must of Cope's fly. The four runs in the seventh came by grace of an error of Francis', outfield hits by Cope and Frank, and Lohman's homer to center. Carey's spirit seem-ed broken when he saw the ball sailing toward the river. He made no effort to recover it in time to hold Loh-

The attendance at yesterday's game showed considerable improvement. But the citizens apparently do not realize that as good ball is being played here this season as in any league on the continent. London never has had, and probably never will again, have as good
