7 OU can depend on the mothers to

think of the little things which will be appreciated by the boy in the camp or trenches. And one article which many

a mother has given her boy at the last moment is Dr. Chase's Ointment. There are so many ways that Dr. Chase's Ointment is

useful to the soldier that it becomes invaluable to him. It is used for chafing and skin irritation resulting from heavy clothing and equipment. It brings comfort to sore, scalded feet after the long march. Applied to wounds it prevents blood-poisoning and heals the skin. And it should never be forgotten that Dr. Chase's Ointment is the most effective treatment obtainable for piles, a distressing ailment which results from contact with the cold earth, whether in camp

The Canadian soldiers have been well supplied with this standard ointment, and, judging by their many letters of appreciation, there seems to be few things more keenly appreciated. Just try it in the next parcels you send to the
