The Blue Labels and Manhattans were victorious over the Orients and were victorious over the Orients and Y. M. C. A. respectively at Springbank Park in Inter-Club League games on Saturday by overwhelming scores. The Y. M. C. A. boys were whitewashed to the tune of 17 to 6, while the defeat of the Orients was less severe, the score being 7 to 0.

Yankee Flint of the Labels held his opponents to one lone bingle, which was scored by Templeman. "Hank" Down was good for the Orients, allowing six hits, but the support behind him was poor. The first inning was disastrous to the losers, the cigarmakers scoring

the losers, the cigarmakers scoring times in this period. The game tooled fought for the next two ings, but the Labels put things on shelf in the fourth frame by crossthe plate three times.
e game only went five innings, and

the exception of the first and the spasm was closely contested. In gave no less than five clouts in linitial session, but steadied down ediately afterwards. Flint was inthe initial session, but steaded down immediately afterwards. Fiint was invincible so far as hits were concerned, but passed three men in four innings. He secured a two-bagger in three times at bat. Myers of the Labels connected with the pill twice in three chances.

The contest between the "Y" team and the Manhattans was a cinch for the latter. It was a nine-ining affair, and toward the end developed into a slaughter. Seventeen hits were garnered off the "Y" slabmen. Nopper started in the box for the defeated aggregation, but was ousted in favor of Gillies, who in turn was replaced by Hicks. Seventeen clouts were obtained by the islanders, while Barney Clark held the "Y" boys to seven hits. Clark got a home run and a three-base hit in four times at bat. G. Pirie was the hatting star, connecting with the ball three times out of four. Cline and Hicks of the "Y" team were high men of their nine with two bingles each.

## MACK WILL FIGHT TO HOLD SCOTT PERRY FROM THE BRAVES

Big League Agreement Is in Danger of Abrogation as Result.

Cleveland, O., June 17.—The National baseball agreement between the American and National Leagues is in danger of being abrogated as a result of a suit filed in common pleas court today by Connie Mack of the Phizdelphia Americans, asking for an injunction restraining the Boston Nationals from interfering with his playing pitcher, Scott Perry, awarded to the Boston Nationals by a majority vote of the National Baseball Commission. Perry was purchased by Beston from the Atlanta club last year, partial payment being made. After seventeen days of "bench duty," Perry left the Boston club. He was not on the Boston reserve list last winter, and Manager Mack signed him as a free agent and he pitched three full games and part of another this season before the Boston club put in a claim for him, according to Manager Mack.

Recently President Herrmann of the National Commission, with President Tener of the National Beague concurring and President Johnson of the American League dissenting, awarded Perry to the Boston Nationals. ring and President Johnson of the American League dissenting, awarded Perry to the Boston Nationals. Manager Mack refuses to abide by the decision and says he will fight to hold
