Do You Want to Make Some Money?

INVEST A FEW DOLLARS MONTHLY OUT OF YOUR WAGES IN ACTIVE REAL ESTATE

Our proposition is a double investment. Firstly, because the land itself is extremely desirable as a home site, and secondly, because the property is promoted by the most energetic and successful land company in Canada. If you put your money into the Nairn & Parsons' estate and stay with the development that is assured by the Dovercourt Land, Building, and Savings Company, you are going to make big profits just as sure as to-morrow will be to-morrow. The city has got to grow, is doing so now, and is growing right into this splendid home site. 300 families there now, church, stores, and a school, and about a hundred and fifty new buyers in the last two weeks. It's going ahead—get in and go with it.
