## AURA LEE HOLD BERLIN TO TIE 2-2 AND WIN JUNIOR TITLE BY 2 GOALS

### JUNIOR HONORS GO TO AURA LEE TEAM

Unable to Beat Berlin at Arena But Lead From First Game Won.

It is all over, and nobody is mor thankful than our own Aura Lee team. The locals won the Junior O.H.A. honors all right, but it was a narrow squeak Berlin checked the Aura Lee squad to a standstill last night, and the best the local hopes could do was to get a two-goal draw. That 4-to-2 victory in Berlin last week was a gift from the gods, and gave the locals the Junior O.H.A. honors by two goals, or 6 to 4 on the round.

Led by Schnarr, the Union Jacks demoralized the usual good Aura Lee combination with checking, and the Berlin youngsters took a shot every time they got within hailing distance. Wilkinson played a marvelous game in goal, and saved the championship for the locals. It was nip-and-tuck hockey thruout, and was one of the fastest games of the year. Gouinlock was sick before he went on the ice, and was not up to his Berlin form. This threw the Aura Lee forward line out of its swing, and, with the thoro checking handed out by Berlin, the locals could never get started. Berlin had the right idea. They never left the man with the puck-for a second, and this threw the Aura Lee forwards into a bunch, and the Jacks kept them there. Sheldon and Green did noble work in trying to keep Berlin out, and if the Jacks had paid a little more attention to getting in close they would have done better.

Schnarr was simply wonderful. While gave the locals the Junior O.H.A. honors

ting in close they would have done netter.

Schnarr was simply wonderful. While not speedy, he is the best stick-handler seen in these parts this winter, and dodged his way thru the whole crowd time after time. It was Schnarr who led in the back-checking. Brown had a barrel of speed and opened up a couple of sensational rushes. Krug and Shirk checked hard, and both had speed to follow in behind Schnarr.

Little Childs had little to do, but his work was sharp-cut, and on two occa-

Little Childs had little to do, but his work was sharp-cut, and on two occasions he neatly stopped when the man with the puck was right up to the net. Wilkinson was Aura Lee's best man. He saved the game. Wilkie was as cool as the air outside, and his work, finished at all times. Long or close shots were all the same to him, and he turned them aside with ease. Wilkinson had four times as much as Childs to do. Wright and Little were the best of the local forwards. Both tried hard to stem the fast-coming Berlin forwards, but could not get the rest of the line into combination form. It was a grand little battle, with Berlin the aggressors most of the game. They had Aura Lee at their own end for the entire first period, and in the next two rounds kept it past centre ice more than half the time.

The Winnipeg Monarchs, long holders of the Allan Cup and only beaten one goal for the trophy this season, play to-fight at the Arena with the senior O.H.A. champions, the Riversides. This will give the fans an excellent opportunity of understant the fast coming Berlin forwards, but could not get the rest of the line into combination form. It was a grand little battle, with Berlin the aggressors most of the games of the season should be the result.

Aura Lee will test their mettle against the Monarchs at the Arena on Monday night. It has been freely predicted that the competition for over a week, possibly ten days, when the ice and also the cup-holders (the lice and also the cup-holders (the lice and also the cup-holders (the start allow over a week, possibly ten days, when the ice and elso the cup-holders (the local for the trophy this season, play to fit the Allan Cup and only beaten one goal for the trophy this season, play to fit the Allan Cup and only beaten one goal for the trophy this season, play to fit the Allan Cup and only beaten one goal for the trophy this season, play to fit the Allan Cup and only beaten one goal for the trophy this season, play to fit the flat all the ice and list the ice and list the ice and he first period was scoreless. Shirk got the first real counter five minutes after the second period started, with a lift from outside the defence, when Wilkinson's view was blocked. It took Aura Lee two finutes to even up. It was worked from a threeman combination by Gouinlock. Wright gave the centre man the puck when well thru, and Gouinlock skated up to the net, round. Masters made it even just before the period was up, by shooting in one from a scramble.

Aura Lee did not play up to the form that won for them at Berlin, and on the play were lucky to get away with the round. Berlin had the play for three-quarters of the time. The teams:

### NO ALLAN CUP GAMES FOR THE RIVERSIDES

Western Team Will Not Wait-News and Gossip of the Players.

A Winnipeg despatch says: The Allan Cup hockey series for 1916 will be wound up this week when the 61st Battalion the team, champions of Manitoba and holders of the cup, will meet the Regina Victorias, champions of Saskatchewan, in a two-game series on Thursday and Saturday nights. Doubtful ice and weather conditions and tradings of the Verentee day nights. Doubtful ice and weather conditions and tardiness of the Toronto Riversides in making up their mind prevented the O.H.A. champions from getting a chance. To have waited for them would have held up the competition for over a week, possibly ten days, when the ice and also the cup-holders (the 61st Battalion) would be gone.

Aura Lee will test their mettle against the Monarchs at the Arena on Monday night. It has been freely predicted that the Aura Lee team is of senior calibre, and they will be given a good opportunity to show their class against one of the best senior teems in the west.

The Belleville protest against Sarni Wilkinson was too good for them. Aura the only had one shot on the goal in the first twenty minutes.

Berlin netted the first goal after Aura Lee were called back, after getting the puck into the net, on offside. Wright his color will be decided by the O.H.A. executive today.
